Our beliefs, philosophies, and personal tastes are boldly emblazoned on our wearing apparel. Our message is there for the world to see.

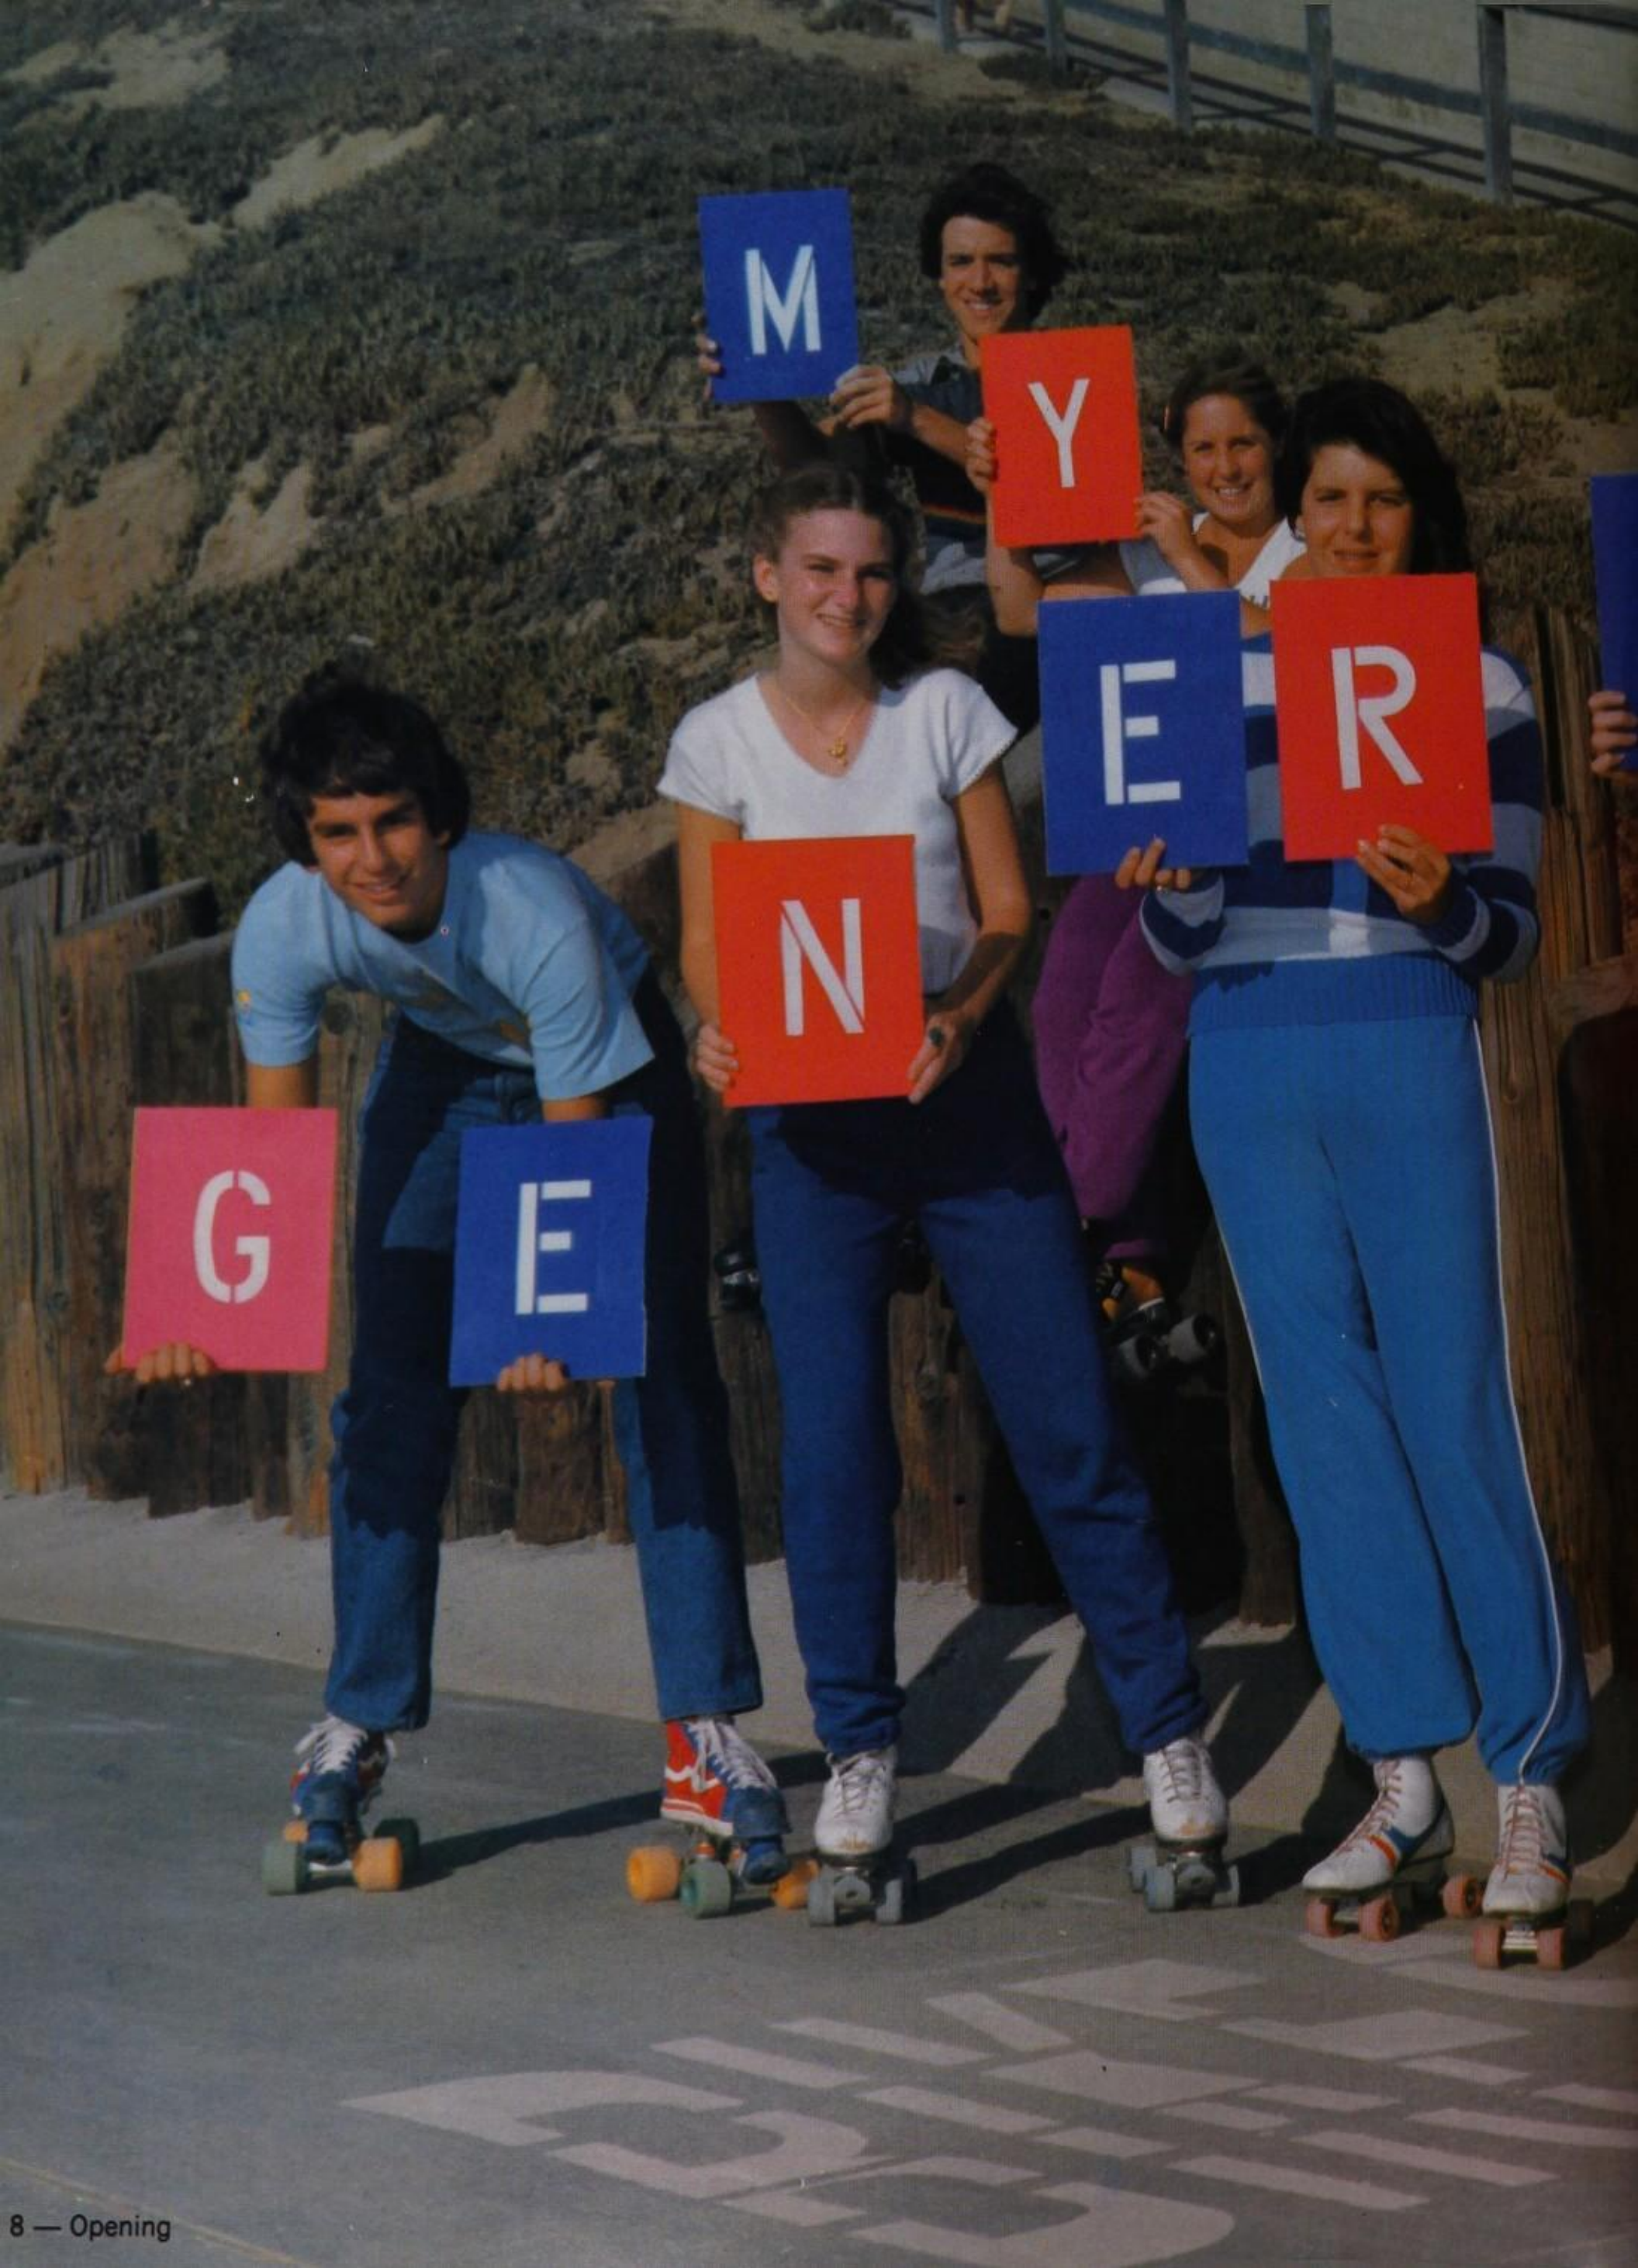

The faces of My Generation reflect social concern, free spiritedness, hope, and future promise.

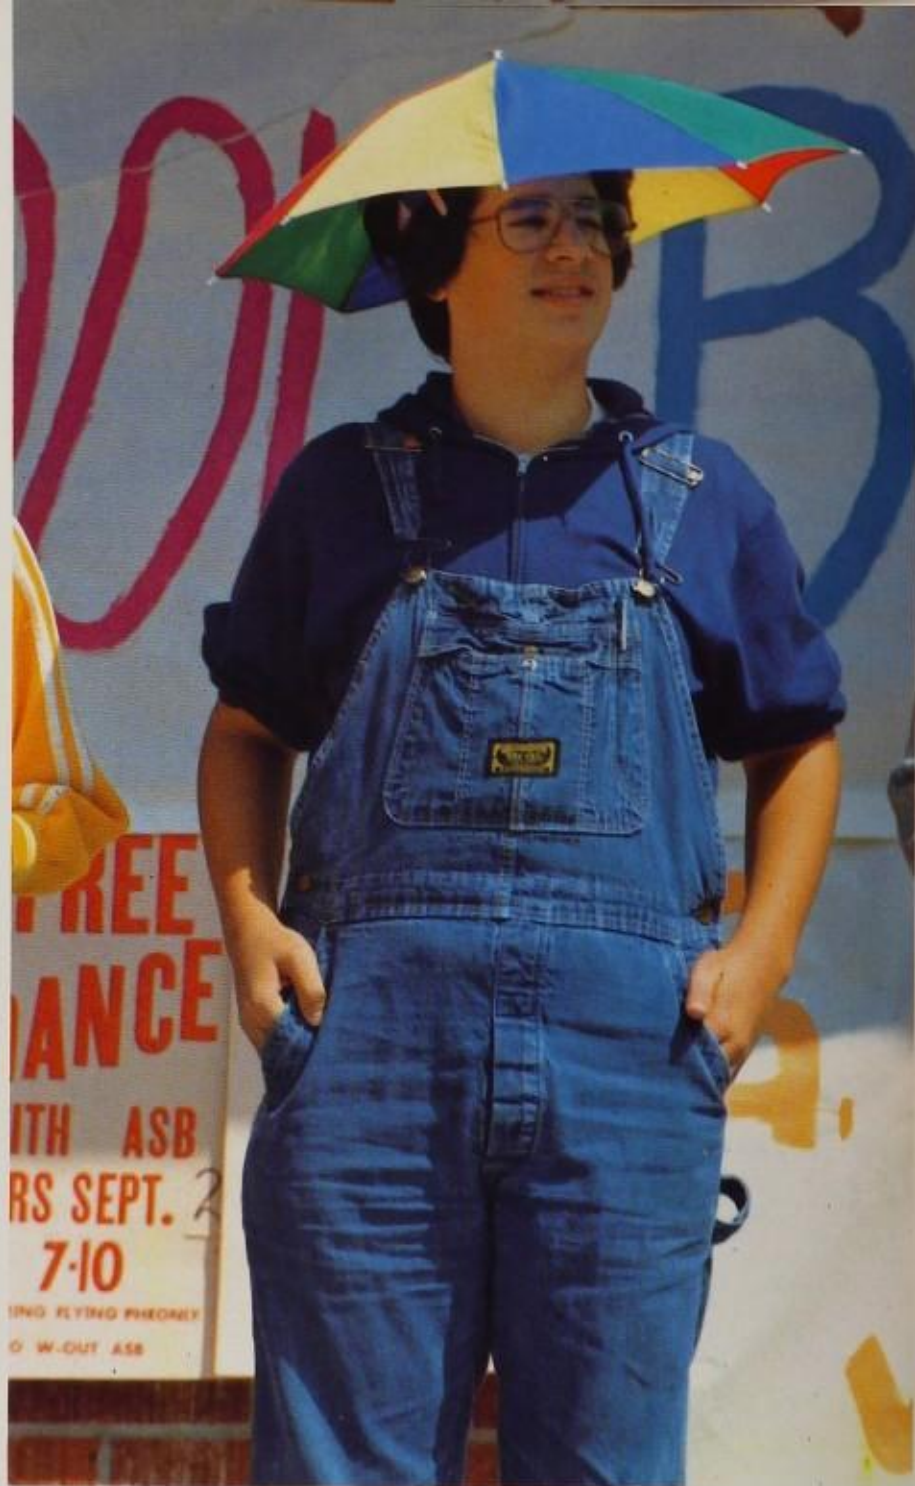

Our postures indicate a variety of moods
and show the diversity of our attitudes.

*"People try to put us down
Talkin' 'bout My Generation
Just 'cause we get around"*
The Who

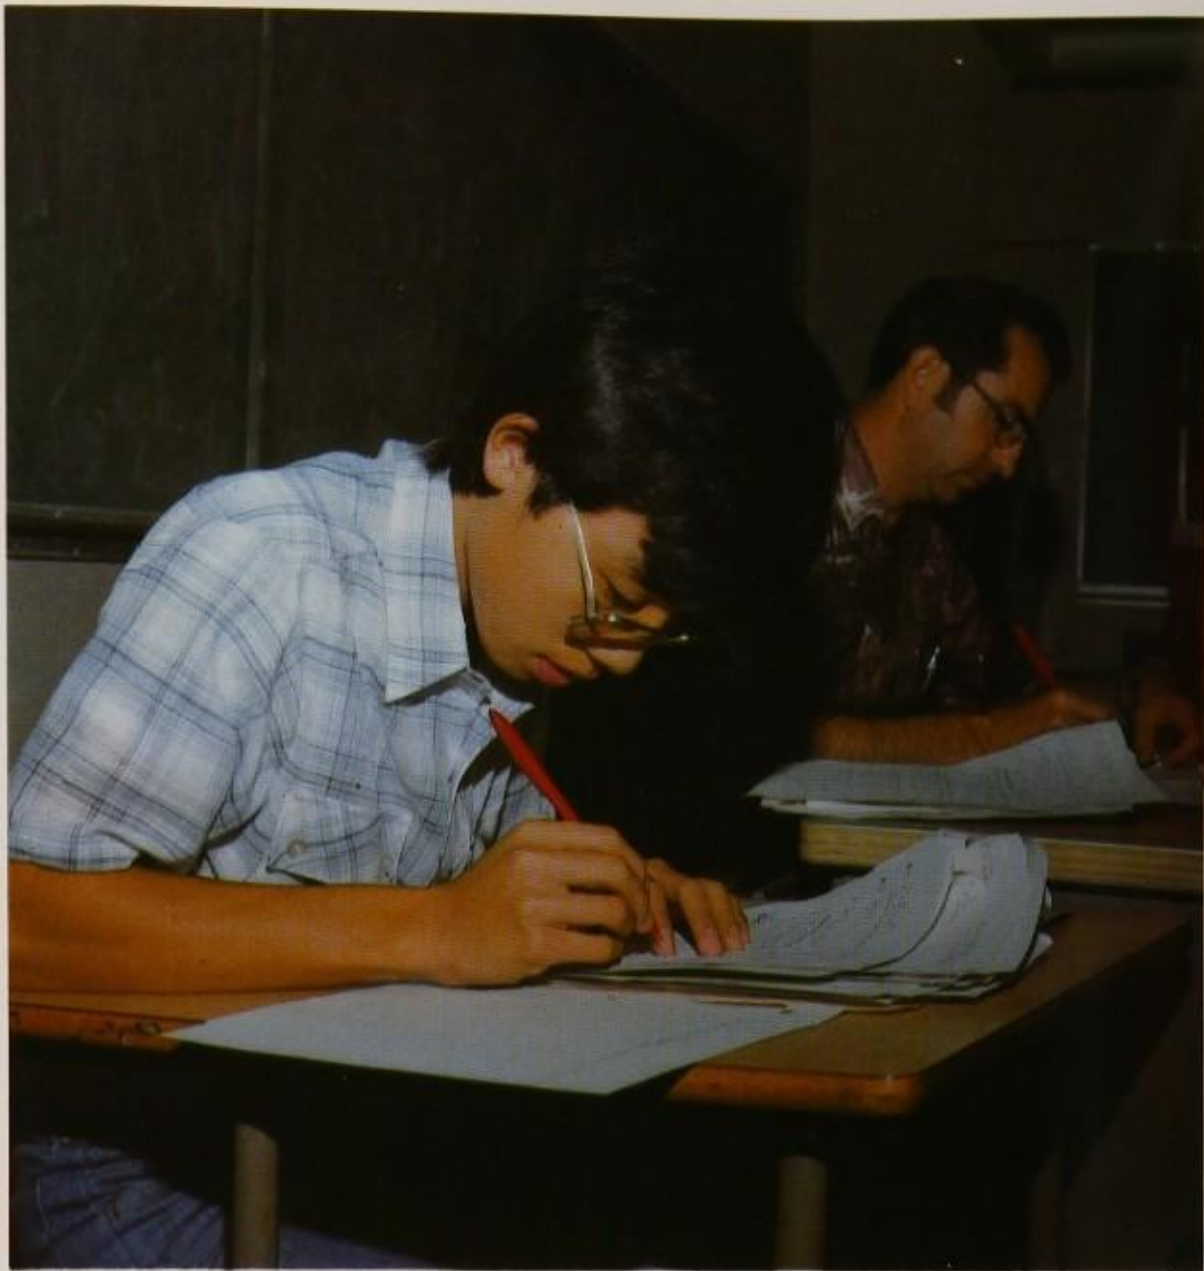

We wear different hats to capture the moment and to express our own individuality.

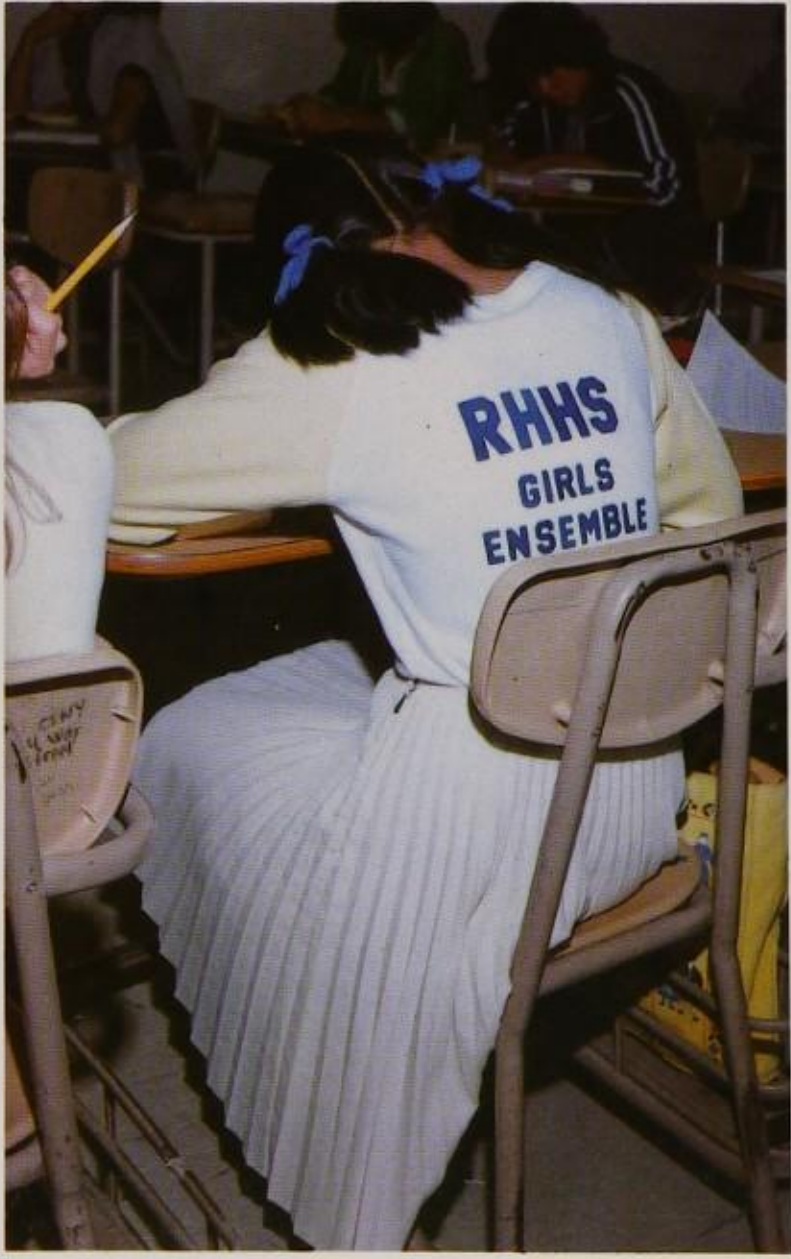

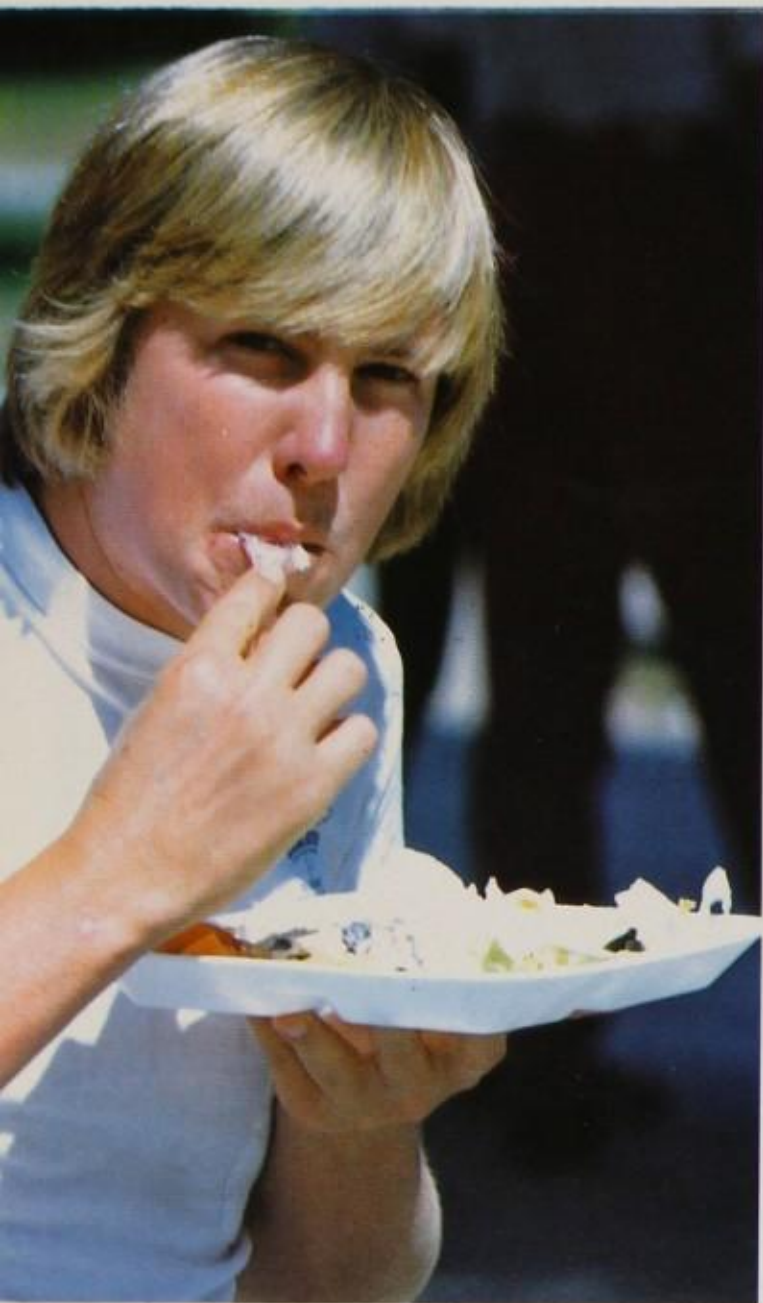

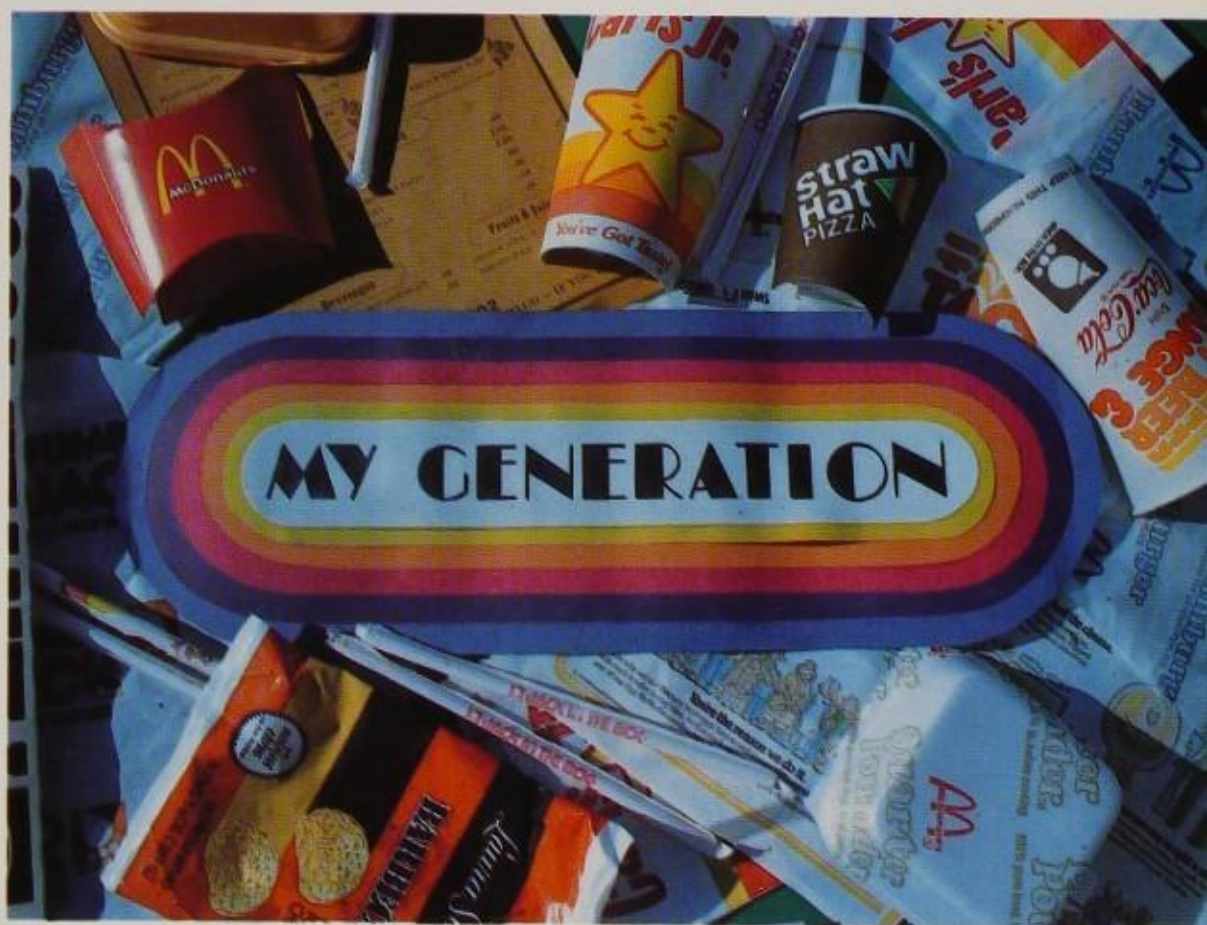

My Generation recognizes the importance of academic preparedness and strives for excellence.

"I'm not tryin' to cause some new sensation

I'm just talkin' 'bout My Generation"

Tacos, hamburgers, onion rings, fries, shakes — how rapidly we consume the fast foods to stave off Big Mac attacks and to keep Jack-in-the-Box in business. We're always "movin' up with 7-Up."

The DELPHIAN Salutes Eleanor Conyers

The TITAN/DELPHIAN Staffs are honored to dedicate this 1981 annual to Mrs. Eleanor Conyers who faithfully served in the Student Store from the opening of Rolling Hills until the fall of 1980 when she received a promotion to the District Offices. Her bookkeeping skills were impeccable, but it is her friendly manner and caring attitude which this school will long remember and will sorely miss.

ASB Officers

The 1980-81 school year has undergone a tremendous amount of planning and preparation. This increased supply of school spirit and support has resulted in a more successful school year. Much of the apathy has vanished. This ever-rising battle against apathy has been fought religiously by the Associated Student Body.

The physical appearance of the school has been a great contribution to the increase of school spirit. With newly painted classrooms and lockers, a new gym floor, and a cleaner campus, it has been easier for students to support the operation of the school and its activities.

The ASB officers are the heart of the entire student body. Without the unity and cooperation of Student Council, the entire interest and involvement of the student population on campus would depreciate.

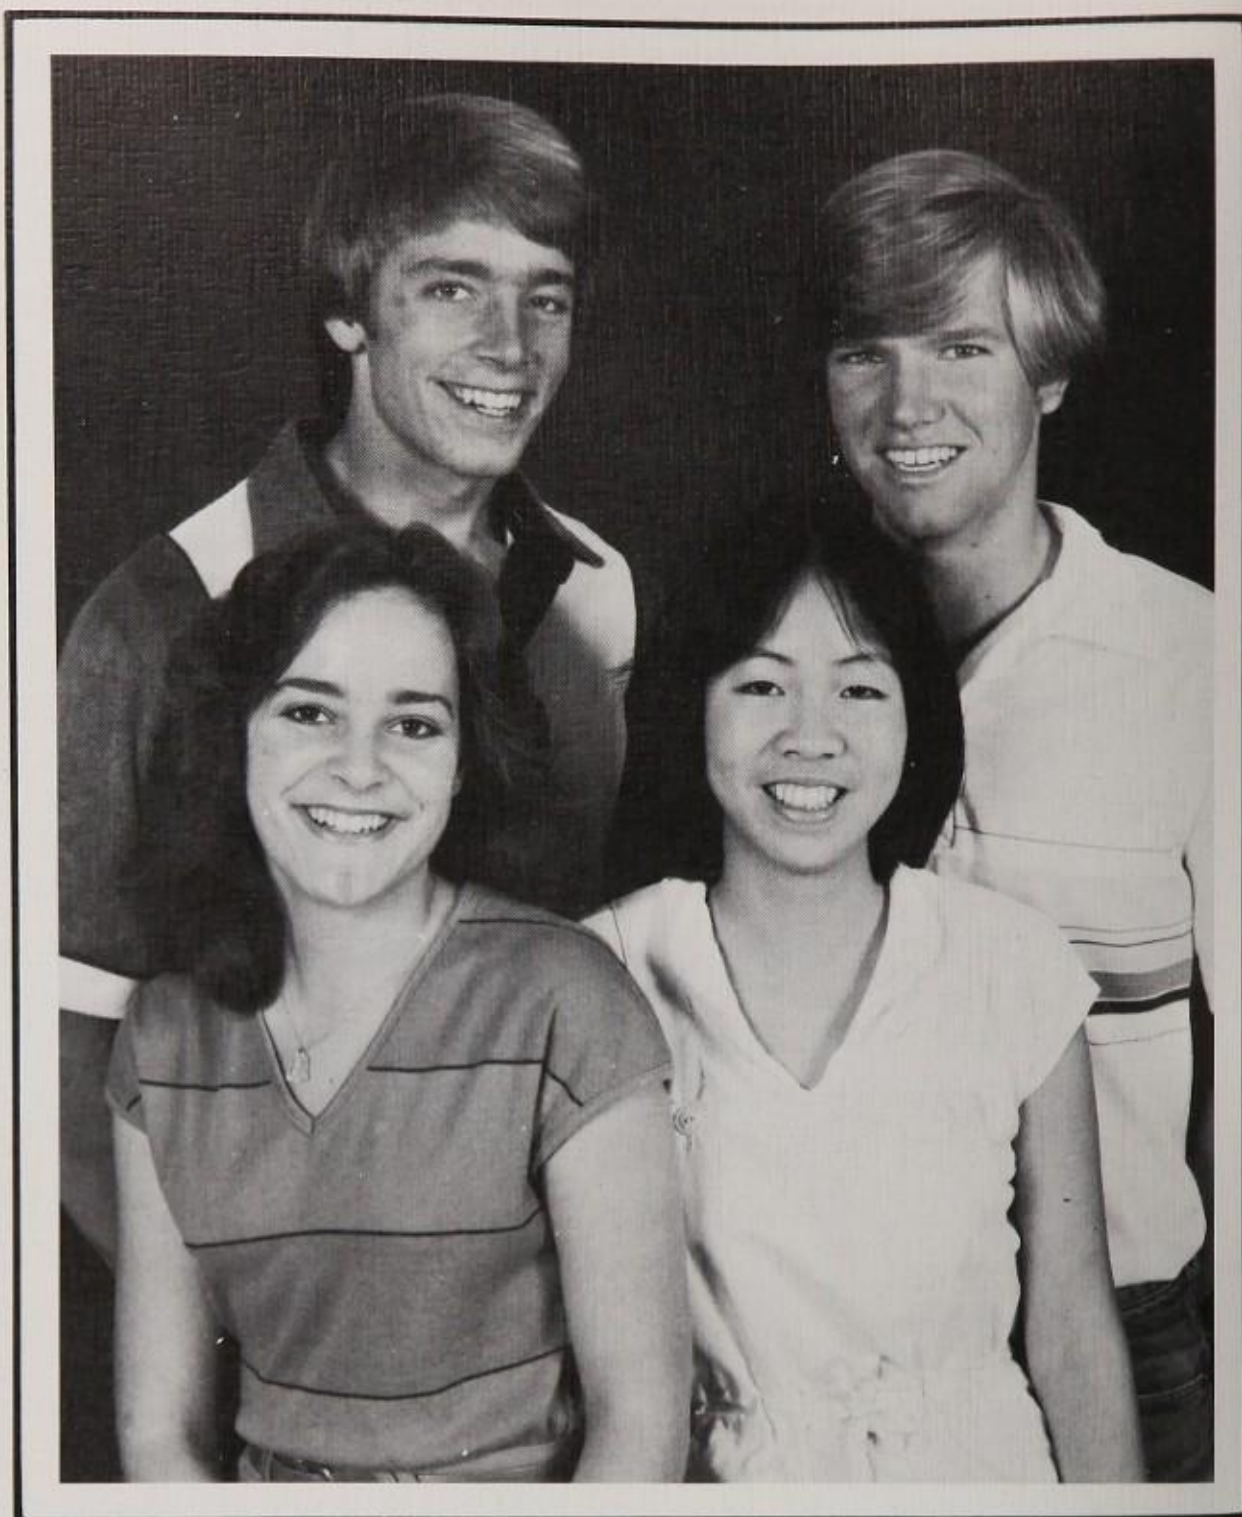

From the challenges of a daily trash pick-up to semi-weekly Olympic games, the Student Council has provided students with a feeling of pride in their school. ASB is there to serve and to provide the strong moral support which any school requires.

ASB Appointed Officers, Assistants

ASB assistants and appointed officers are a select group of supportive and enthusiastic students who are chosen to assist and represent our school. The assistants provide endless help to the ASB officers, and they are qualified and competent in their areas of specialization.

The appointed officers fulfill a multitude of jobs, such as publicizing school activities, making athletic calendars, improving the campus, making a complete scrapbook of the 1980-81 school year, and providing support to various projects on campus.

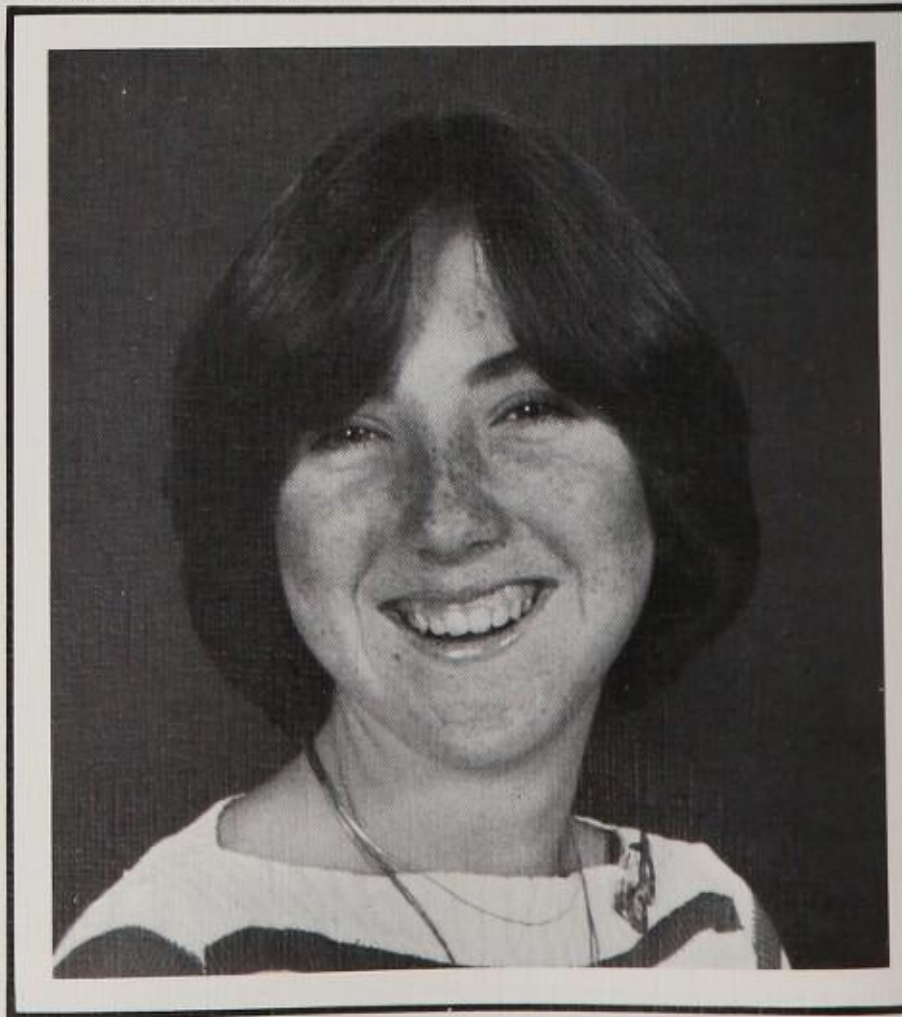

Both assistants to ASB officers and appointed officers are indispensable, and the school could not function smoothly without them.

Pam Zamzow, ASB Corresponding Secretary; Lindy Dang, Assistant to ASB Treasurer; Mike Butler, ASB Historian; Dave Archibald, Assistant to Speaker of the House

Michelle Coleman, Director of Morale and Drives

The 1980 Homecoming was an elaborate event. The Fair was the most well-attended in recent years. Student participation was exceedingly encouraging. From the sale of food and balloons to the crowning of the Queen to the final moments of the football game, Homecoming was deemed successful. And everyone adapted easily to the down home flavor of the Country-Western theme.

3. Masters of Ceremony, Russ Rhea and Jon Reed, add a comic touch to a musical extravaganza.

4. Deep in concentration, Elizabeth Park strives for a flawless performance and succeeds. An opera singer, Park held the audience spellbound for a full five minutes.

The Fall Hootenanny is one of the most anticipated events at Rolling Hills High School. The production provides a chance for students to put on parade their individual talents in the performing arts. This year, many of the acts were unique. From a Latin Christmas song to original guitar and piano compositions, the evening proved to hold in store sheer enjoyment. The audience left the auditorium with a feeling of fulfillment and pride in their stars of the future.

'Oh, What a Heavenly Night' Resounds

"Heavenly Nights" was the theme of this year's Winter Formal. Girls' League members spent many hours effectively decorating the gym with stars and clouds. Music by "Keeper" provided entertainment and added to the festive atmosphere. Kitty Gunza was crowned Key Club Queen. Her Royal Court included: Anne James, Dianne Dain, Susan Silver, and Judy Ungerleider.

Honored with the title Girls' League King was Andy Greenthal. Princes included: Joe Bento, Jon Reed, Bill Furlong, and Mike Pennell.

Girls' League King Andy Greenthal and Key Club Queen Kitty Gunza presided over the traditional Winter Formal. The Royal Princesses were Anne James, Dianne Dain, Susie Silver, and Judy Ungerleider. The Princes were Bill Furlong, Jon Reed, Joe Bento, and Mike Pennell. The theme of this year's Winter Formal was Heavenly Night, and the Court certainly illustrated that idea.

At the close of last school year, auditions were held for Choreodancers. Of the many who tried out, only twelve were selected. The weekly agenda for a Choreodancer includes practicing technique in ballet, modern dance, and jazz, and choreographing dances for the Choreo Show and other performances.

All the time and hard work paid off in the professionally executed extravaganza, "Pure Imagination." The show adeptly displayed a variety of dances, including novelty, jazz, modern, and ballet. The performance revealed great versatility and extreme enthusiasm for this creative art form.

"Our Hearts Were Young and Gay" was the name of the 1980 Fall Play. The comedy proved to be a success in every respect. The story was based on the adventures of two young ladies, Cornelia Otis Skinner and Emily Kimbrough, played by Licia Rester and Mary Zigrang, respectively, who decided to travel alone to Paris. The performance of the well-balanced cast was superlative.

"1984," a Thespian production, featured the best performers in the school. The play was an intense drama, starring Bob Pederson, Elizabeth Degenhardt, and Licia Rester, who also directed the play. Under the supervision of Mr. Billy Creamer, the play went perfectly. The scenery and the costumes were both quite professional. The crowd appreciated the entire spectacle.

Creative Thought Day Reveals Sharp Insight; Tri-Schools Compete Creatively

For the first time in many years, a Creative Thought Day was held at Rolling Hills. The special occasion brought many people to RH who represented a wide variety of career areas. These individuals spoke about their professions and entry into the differing fields. Among the most well-attended sessions were Radio Broadcasting, Modeling, and Hypnosis in Sports. These seminars provided valuable information on a large choice of occupations for ambitious students. Todd Nordahl is to be commended for his efforts in organizing the affair.

Tri-School Competition, held at RPV City Hall, gave the three high schools on the hill the chance to compete aggressively and in a creative fashion.

Activities Generate Competition

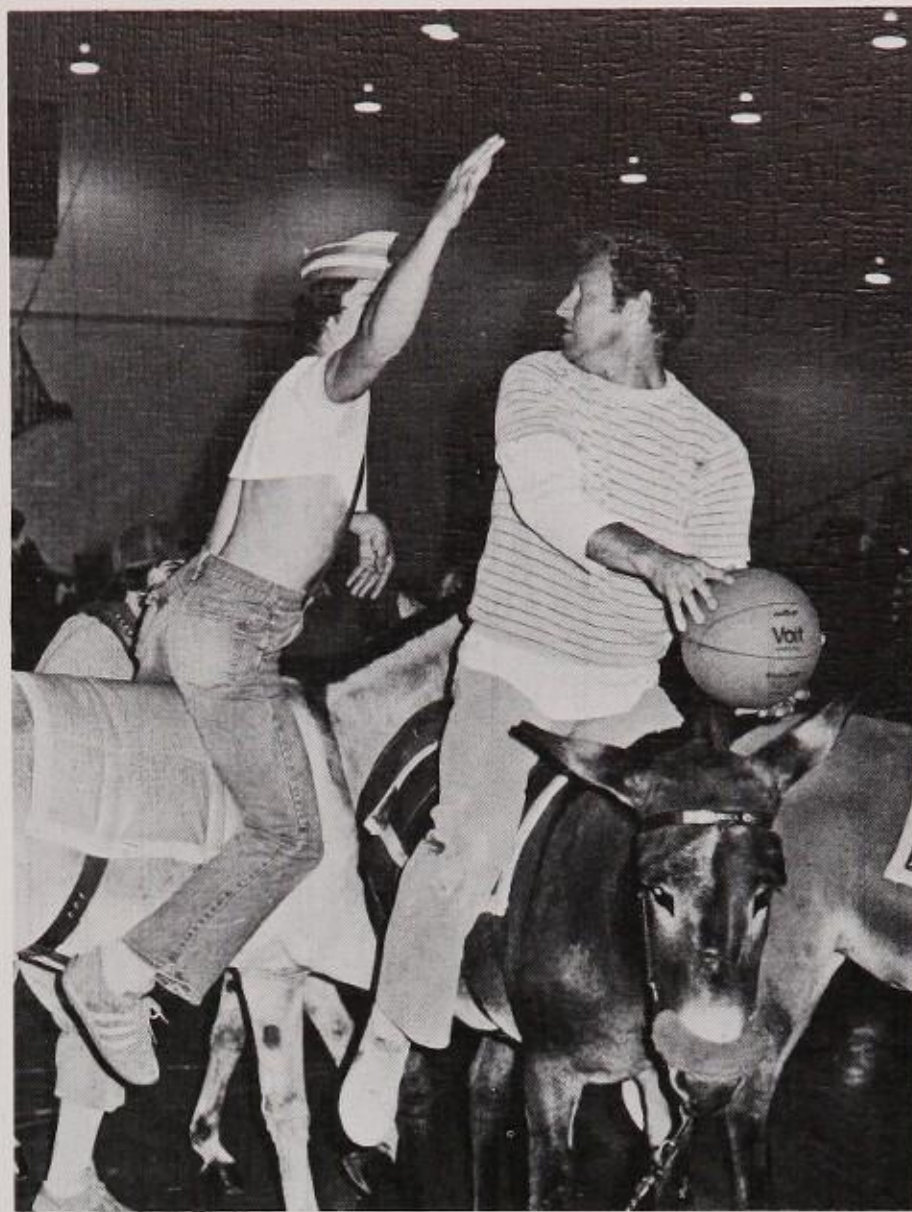

This year's activities have sparked competition. From Soph Doll to Donkey Basketball, the students have participated with enthusiasm.

Donkey Basketball was won again by the faculty. Excellent coaching by Walt Bynum helped Tom Maeder and other teachers to overcome the students once more and to achieve victory.

Katie Traxler was crowned the 1981 Soph Doll. The competition was keen, and Traxler was crowned at the Soph Doll Dance.

Other activities, such as the skateboard competition, the Olympics, and Powder Puff Football, showed the competitive spirit of the Titans.

FACULTY

IN MEMORIAM: DAVID MEDVED

DAVID MEDVED — 1936-1980

David Medved died in October of 1980 after a long illness. He was an outstanding teacher, faculty member, and human being. He was born in Erie, Pennsylvania and attended Edinboro State College. He moved to California in 1959. Medved earned his Master's Degree at the University of Mississippi.

He began teaching biology at RH in 1964. His favorite class, Marine Biology, was taught during the summer session. It was an in-depth study of the marine world.

Medved is survived by his wife Jo Anne, a counselor at Rolling Hills. He is sorely missed by his students and his peers. But the contributions he made to the academic community will live on.

District Administration Concentrates on Basics

Dr. Claude E. Norcross, Superintendent of Schools

Dr. Jack Rankin, Assistant Superintendent for Education

Dr. James Waters, Assistant Superintendent for Personnel

Mr. William Van Rooyen, Assistant Superintendent for Business

Mr. Steve Vargas, Student Board Member

Although the District Administration has had to deal with the cutbacks of previous years, it has shifted its major focus to the academic programs of the schools in the PVPUSD. This year, the administration has placed renewed emphasis on the "basics" in education and on the continuation or improvement of certain aspects of instruction. The District is also formulating a long-range master plan for the use of particular school facilities in the next five years. This move has generated a great deal of community interest.

For this reason, I am convinced I have one of the most consistently rewarding, positive, and enjoyable positions on this staff.

"Mathematics is not a spectator sport" describes my feelings exactly. You cannot learn mathematics by watching; you must do it! There is a special, unique feeling in solving a difficult, mind-racking problem that is not duplicated by other of life's activities. Couple this pursuit with guiding high school students to find solutions and you have my profession — mathematics teacher.

Curriculum Includes Important Alternative Programs

Special Education and Continuation classes focus on specific needs of many students at RH.

The curriculum of Special Education encompasses numerous areas. We work together with the rest of the staff to provide education in the least restricting environment possible for each student. In most cases, this means in regular classes, or the "mainstream" of education. When necessary, students receive assistance during part of their school day in the Resource Specialist Program, or in a Special Day Class. My own philosophy of education centers around the goal of building success and a sense of self-worth in each student. We begin where each student is and work together to go as far as possible towards fulfilling the unique potential of each individual. It's a team effort involving students, parents, and the entire school staff. I'm proud to be a part of that team!

I have been involved with business and economic education at RHHS for sixteen years. To me, this is where the action is. Basic economic literacy is extremely important, given the current state of the economy. Consumer and career education is the key to personal economic success. Current and future employment needs center around business skills in accounting and office management. The Business Department is acquiring the latest in office equipment, including a micro computer system for use in typing and accounting programs. Working with young people in business and economic education has been very rewarding, and I hope to continue in this field of study for years to come.

Classified Staff Enriches School Environment

The Classified Staff at Rolling Hills is an indispensable part of student life and is much appreciated by the student body. Our school secretaries offer students direction by answering innumerable questions. They also keep track of attendance, student monies, and transcripts. Our custodial personnel make a great contribution to general campus improvement and the upkeep of classrooms and landscapes. The cafeteria ladies see that students are well-nourished at affordable prices. We gratefully acknowledge these professionals for their efforts to help our generation and to give an orderly atmosphere to the RH campus.

This year, the Varsity Cross-Country Team enjoyed the finest season in the history of the team. They were undefeated in all seven of their dual meets before losing in the Bay League Finals to Palos Verdes, whom the Titans had previously beaten in an earlier meet.

In the Bay League, the team finished in second place and qualified for the CIF Finals. The Titans finished seventh in the finals, which is the best standing the Cross-Country Team has ever achieved.

The team was led by Chris Bowlus, a two-time Bay League champion, John Barrett, Tom Martin, Mike Petak, and Tom Lawrence. Also contributing their support were Bill Burnham, Paul Collins, and Steve Rall.

The undergraduate teams fared very well too. The Junior Varsity captured the Bay League title while both the Freshman and Sophomore Teams placed second.

Girls Inspired With Enthusiasm

Despite having many young runners, the Girls' Varsity Cross-Country Team had a good season. Many of the girls had Varsity experience already.

The team was led by Terri Getty, Janet Hall, Linda Mun, and Julie Green-shields. All of these runners placed high in league meets. The Junior Varsity was led by Michelle Zenn, Janet Burnham, and Karri Plebuch.

Coach John Rudberg was proud of the girls' competitive attitude and team spirit. He also stated, "Next year's team should be highly successful with so many returning runners."

Water Polo Survives Tough Season

1

The Varsity Water Polo Team had a good season despite having only one senior on the team. The Titans finished the season ranked sixth in the Ocean League, with a record of 3-14.

This year's team was led by Captain Steve Showler, who was named Most Valuable Player, Pete Showler, who was voted Most Improved Player, Craig Martin, Clint Robertson, and Rob Fleisher. Coach Frank Akins was optimistic about next year's team in light of the number of players who plan to return for the 1981 season.

The Frosh/Soph Team finished with a record of 5-11 after facing many tough opponents. John McGuire and Mike Arman were strong forces on the Titan team.

The Girls' Varsity Volleyball Team completed their Bay League competition in fifth place, with a record of 6-9. The Titans were led by Susie Silver, who was voted Most Valuable Player, and by Gretchen Reider, who was chosen Most Inspirational Player. The team selected Kelly Campbell as their Athlete of the Year nominee. Lori Schizas was chosen for All-League First Team.

The JV Team finished a very tough season with an overall record of 4-11. Under the direction of Janis Romo, coach, the girls put forth their very best effort. Mary McDonald was selected Most Valuable Player, with Patrice Westhead earning the honor of the Most Inspirational Player.

Coach Kathi Bianchi is looking forward to leading a very strong Rolling Hills team next season, with the help of six returning Varsity players.

Even though the Titans were on the losing end of many games, the team played exceptional football all season. Upsetting Palos Verdes with a score of 16-10 proved to be the highlight of the year. Every player contributed his utmost abilities toward achieving this victory.

Coach John Oswald sighted the following reasons for the disappointing overall season: a small number of returning lettermen, lack of experience, and eight major injuries. A few lucky breaks early in their season might have changed the outcome considerably.

Jon Appleton was voted Most Valuable Player for both offense and defense. Tom Kim was also awarded the title of Best Defensive Player.

Girls' Tennis Obtains CIF Berth

Under the direction of Coach David Bradbury, the Girls' Varsity Tennis Team finished with a winning season of 8-4. The Titans placed third in the tough Bay League. They went on to CIF competition, where the team succeeded in making it to the second round.

Ann Marie Amaral was selected Most Outstanding Player for the Varsity Team. Rhonda Lee took the honors on the Junior Varsity Team in the same category.

Coach Bradbury is very optimistic about the prospects for next year's team since many top players this season are only sophomores.

Basketball Heads Into CIF

This year, the Varsity Basketball Teams are looking fabulous. Both the boys' and girls' teams are headed into CIF with strong convictions about winning.

Jay Bilas, Joe Bento, Jim Denver, Mike Butler, and Curtis Gravett are the starting line-up for the boys' team. The combination of their talents has proven to be quite impressive throughout their successful season.

For the girls, Kelli Graham, Brett Blankenfeld, Julie Krause, Sue Stangl, and Freshman Cyndie Thomas head the Varsity Team.

Both Coach Walt Bynum and Coach Matt Dodson hold high expectations for continued victories.

Junior Varsity Teams Triumph

Successful basketball seasons are not confined to Rolling Hills Varsity Teams. Both the Boys' JV Team and the Girls' JV Team finished with fine records.

In addition to well-coordinated team play, sophomores Steve Voce and Matt Ceragioli were strong forces.

The JV girls managed many team victories and triumphed over top-ranked opponents.

The Freshman and Sophomore Teams continued the winning tradition with their numerous victories outweighing their losses.

Soccer Wins 4-A CIF Again

1

2

To carry on their fine tradition, the Boys' Varsity Soccer Team has again won the 4-A CIF Soccer Division as they did two years ago. In capturing the title, the Titans completed an undefeated season, winning eight games and tying only two. Although every player contributed to the successful season, Todd Shrader and Steve Sharp consistently played well. The end result was that the team won the C.I.F. Championship.

The Girls' Varsity Soccer Team is rapidly improving from their unsuccessful first season four years ago. Ending this season with a 7-4-1 record, the team was, unfortunately, beaten out of the CIF play-offs by a mere half of a game.

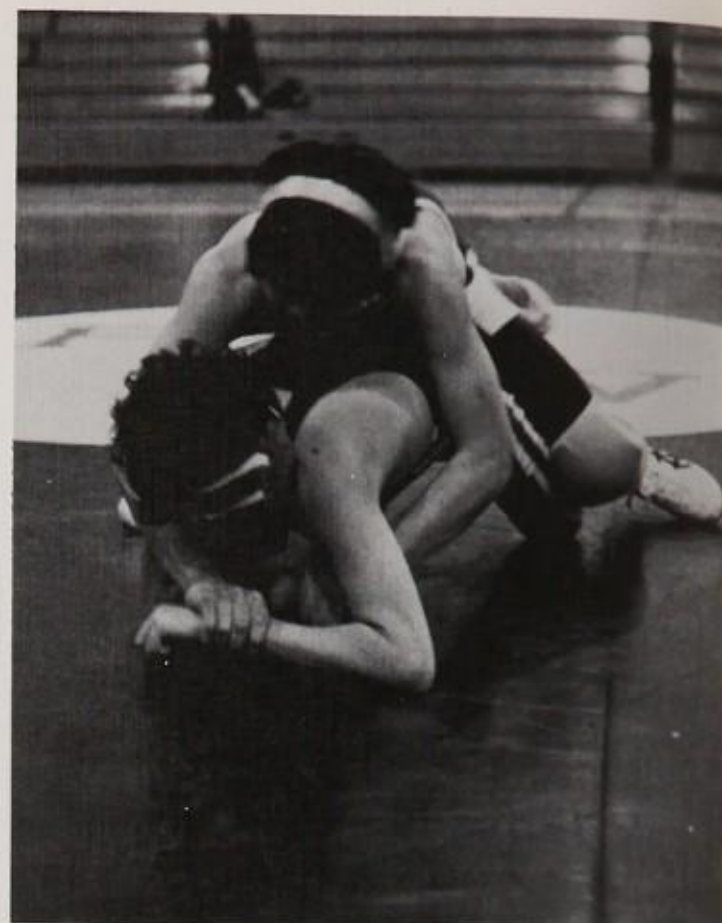

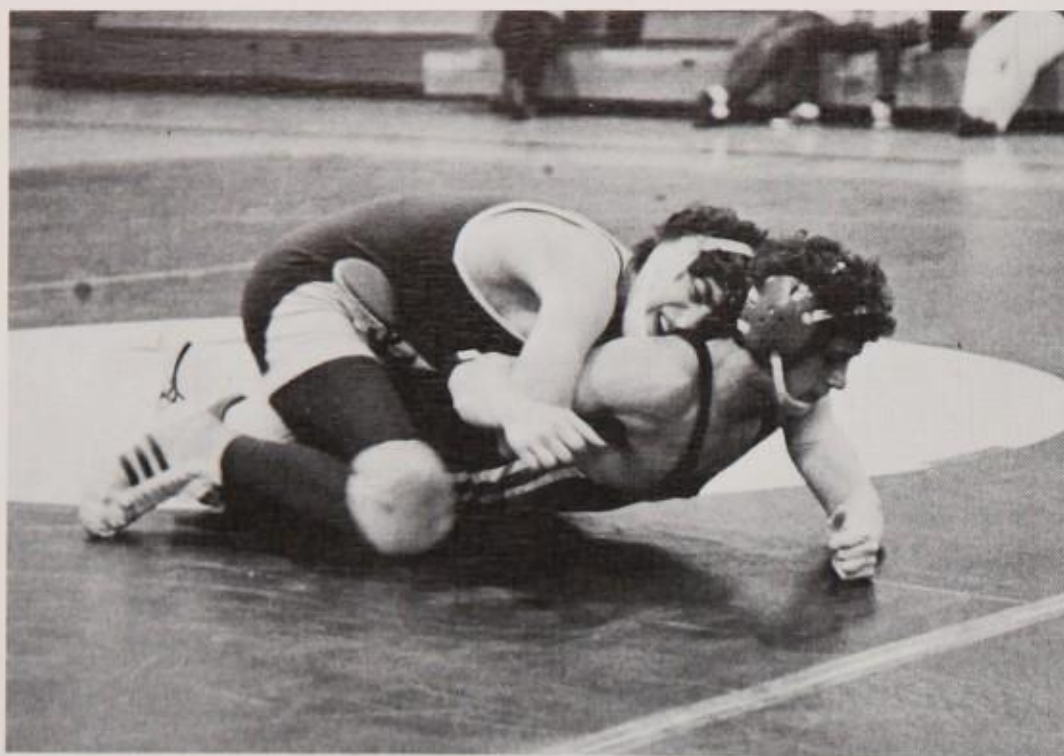

The team was led offensively by Alison Keller and defensively by Sherrie Duerre and Stephanie West. Gretchen Reider as goalie was a regular strongpoint for the team.

As there are only four seniors on the team, next year's group looks both promising and competitive.

Minnick Captures Bay League Title

Holding the title of Bay League Champion is certainly an exciting honor. Mike Minnick, a senior on the team, has won this outstanding distinction this season. Bill Powers, Don Landis, and Greg Abramowitz have all contributed significantly to the team's overall performance. While the team did not meet the expectations it set for itself, it did live up to the spirit of competitiveness and good sportsmanship.

Titans Develop Their Talents

Since three is supposed to be a lucky number, the Boys' Volleyball Team is expected to do well in their third season of existence. This year, the team boasts a great deal of experience. Returning are Mike Albright, Dan Finnegan, Mike Lawrence, Courtney Bell, Pete Pistone, and Dave Woodruff. Coach Harvey Crow has been teaching all members new plays and techniques, which he hopes will prove helpful during the matches. According to the players, the team has a lot of potential.

The 1981 Tennis Team is another in a long line of Bay League contenders. Rejoining the Titans again this year are seasoned veterans Alex Cloth and Steve Rockowitz. These two players will lead the other Varsity Team members into competition with their exceptional individual play. The team has great depth and staying power. Some promising freshmen are also a part of the squad.

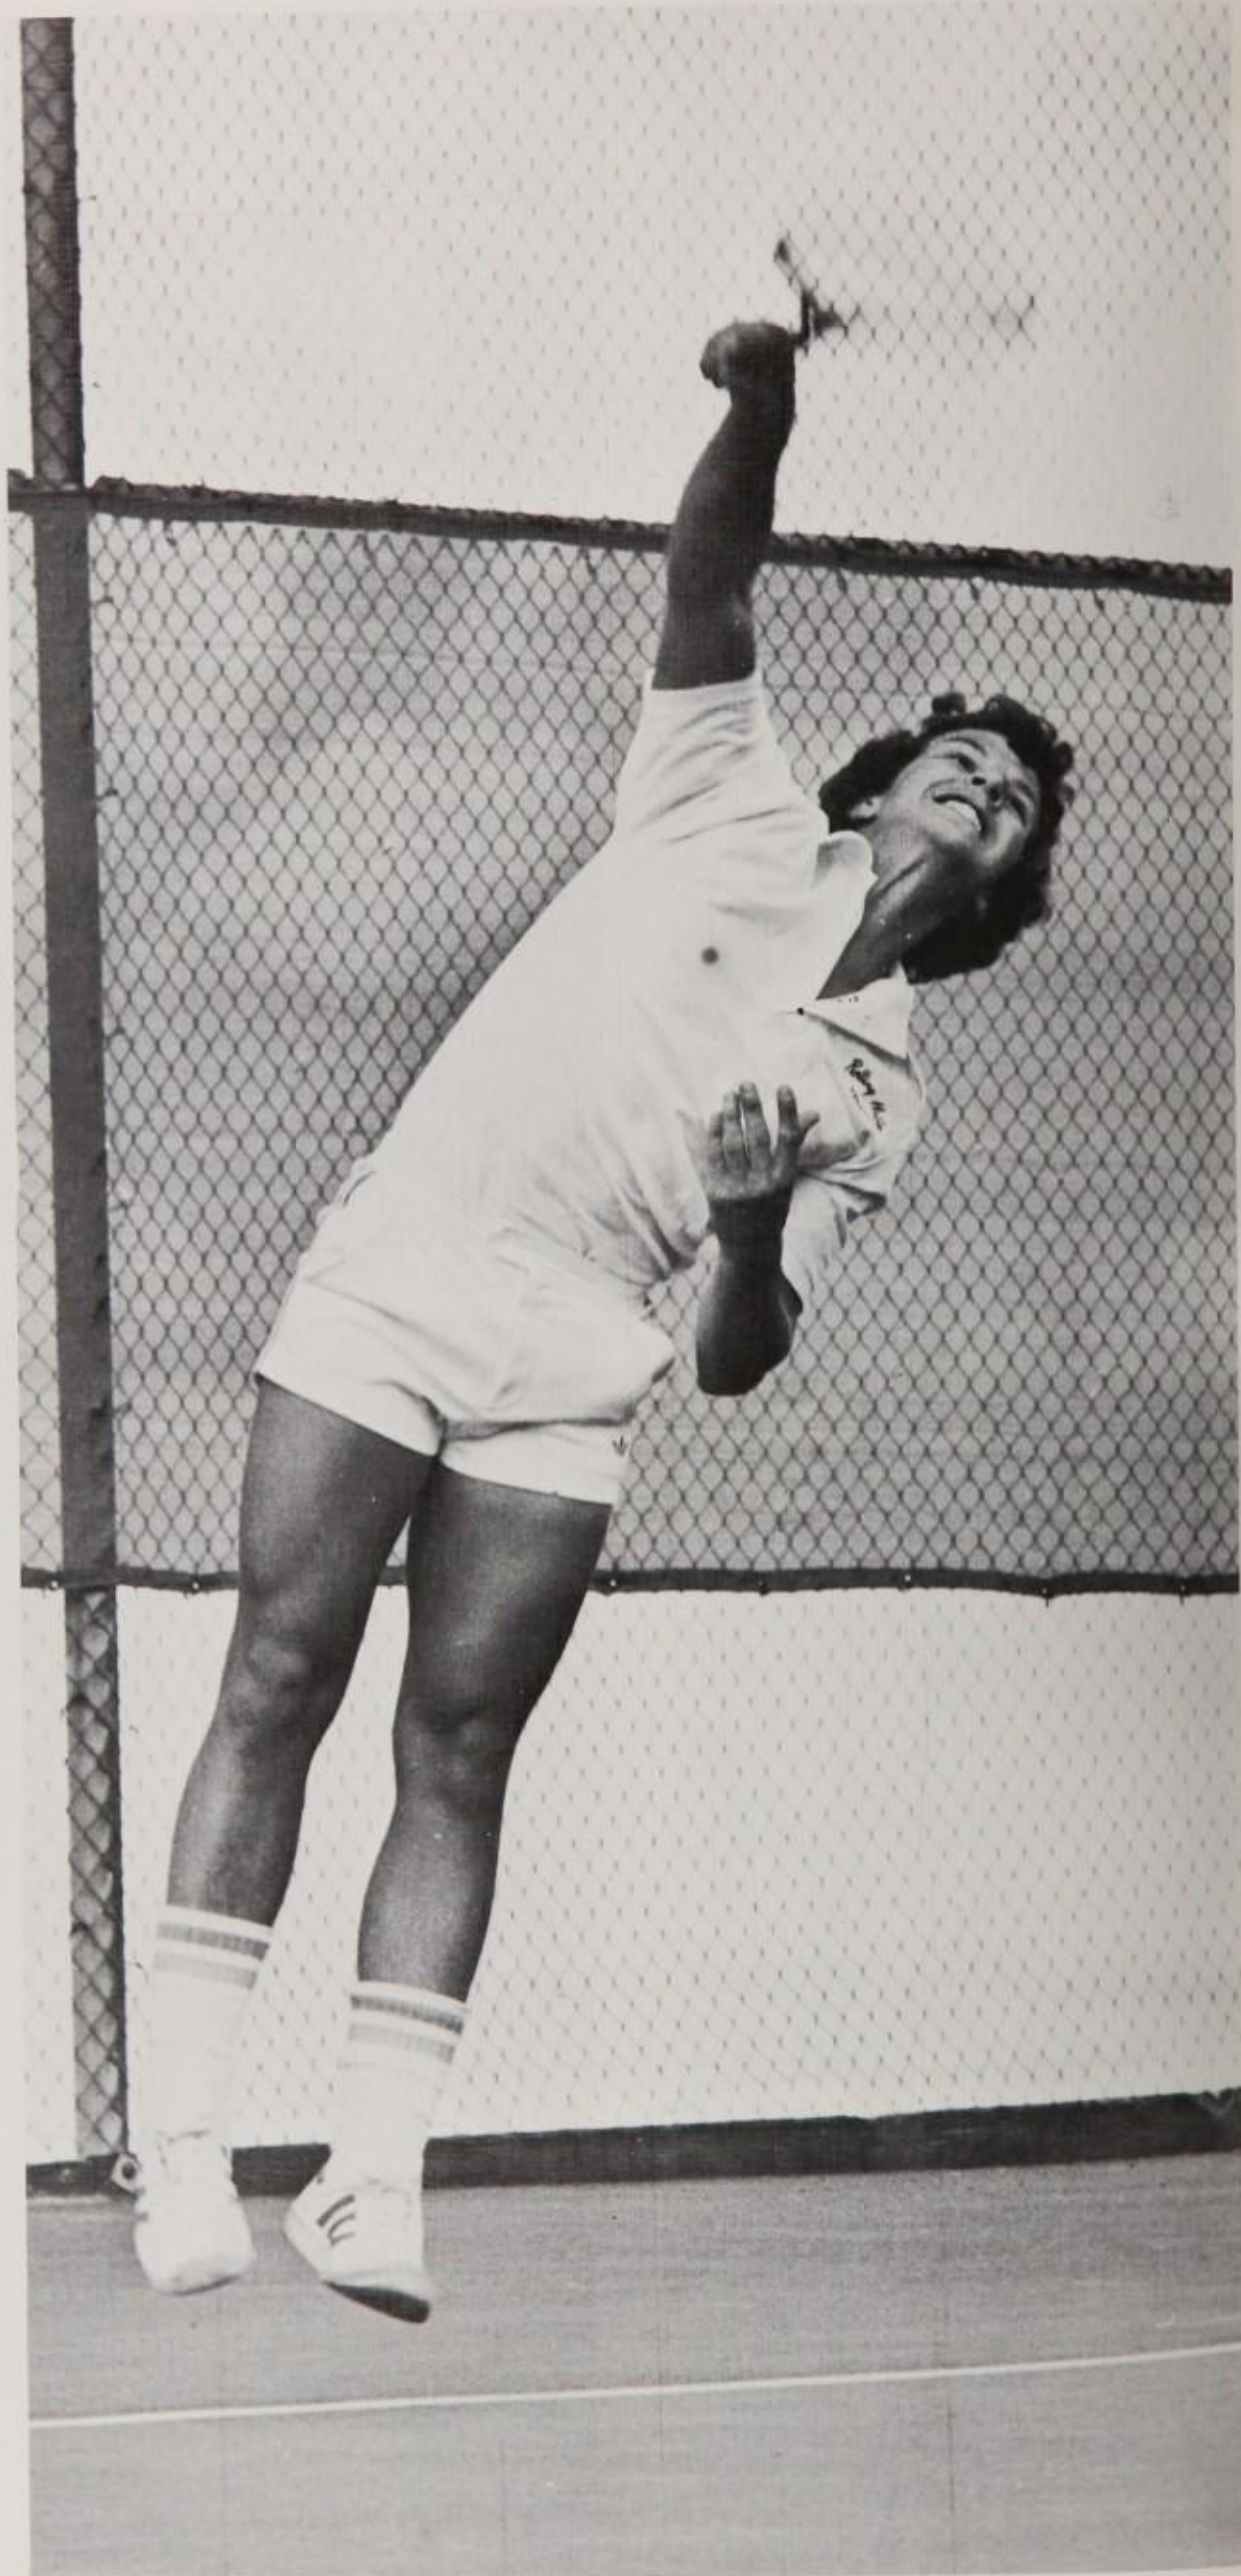

The JV Team is expected to make fine strides this year as well. Both teams are coached by David Bradbury.

Golf Drives Into Tough Season

The Varsity Golf Team is full of experience and exciting new talent this year. Heading the pack are seniors Neal Webb and Spencer White. Webb has been on the team since he was a freshman, and White was a sophomore when he joined the ranks of golf hopefuls. Both are expected to have very good scores. Another fine prospect is Kevin Leach. Last year, as a freshman, he showed his remarkable abilities and contributed greatly to the team's success.

2. Artie Oughton soon finds out that the middle of a golf match is the wrong time to build a sand castle as he finally gets his ball out of the rough and up onto the green.

3. As the afternoon sun settles behind the hills of the Rolling Hills Country Club, Seamus Fitzpatrick fervently hopes that his drive will clear the ominous sand trap below.

Gymnasts Train Hard for Meets

The Girls' Gymnastics Team is in the midst of rebuilding their talent this year. Mainly comprised of underclassmen, the team is working hard to overcome this lack of experience. If all their practice pays off, the Titans should consistently be a tough opponent during the regular season. Christine Cortopassi, Laura Traxler, Sharon Glassock, Carol Sicola, and Trish Protage will probably be the leading contenders for honors.

Swimmers Compete for Bay League Title

The 1981 Girls' Swim Team has high hopes for the upcoming meets. Ending last year with a perfect winning record, the team has already begun this season with two important wins.

This year's relay team consists of four girls who made the All-American Team last year. Beth Menzie, Kay Ceske, Penny Upchurch, and Sue Stangl all hope to make CIF this year. The girls enjoy Frank Akins as their new coach. Even though he is rather strict, he takes their joking in stride, and the girls like that.

The Diving Team shows promise as well. Its members are able to execute extremely complex dives.

The 1981 Titan Varsity Baseball Team is young, but experienced. Many players are returning from last year's team with confidence. Dave Butler, Greg Mayer, and Jim McDonald are prominent members of the pitching staff and hope to intensify the Titans' defense. Strong performances are also anticipated from returning Seniors Jon Appleton, Dave Archibald, Brad Bierley, Bill Furlong, Curtis Gravett, Rick Jemison, and Steve Lawson.

This year's team has a great deal of potential with powerful batters, skillful basemen, and alert outfielders. If these capabilities are put to use, the Titans will do well in Bay League competition and qualify for a CIF berth.

With seven returning Varsity players, the 1981 Girls' Softball Team is determined to have a good season. The team has a mixture of good hitting and excellent fielding, which enables them to have a lot of flexibility.

The Junior Varsity Team is young in age, but mature in motivation. Coach Joe Molchan, alias "Disco Joe," is a superb coach, and he anticipates leading the team to a victorious season.

The Rolling Hills Track Team has pulled together a strong and diversified squad, which should rival other Bay League contenders for the championship.

As usual, the distance events will be well taken care of with the talents of Seniors Chris Bowlus and John Barrett. Kurt VandenBrink and Sophomore William Henke will lead the Titan sprinters.

The girls will also present some tense Bay League action since they too have a strong, well-rounded team.

ORGANIZATIONS

CLUB COUNCIL OFFICERS

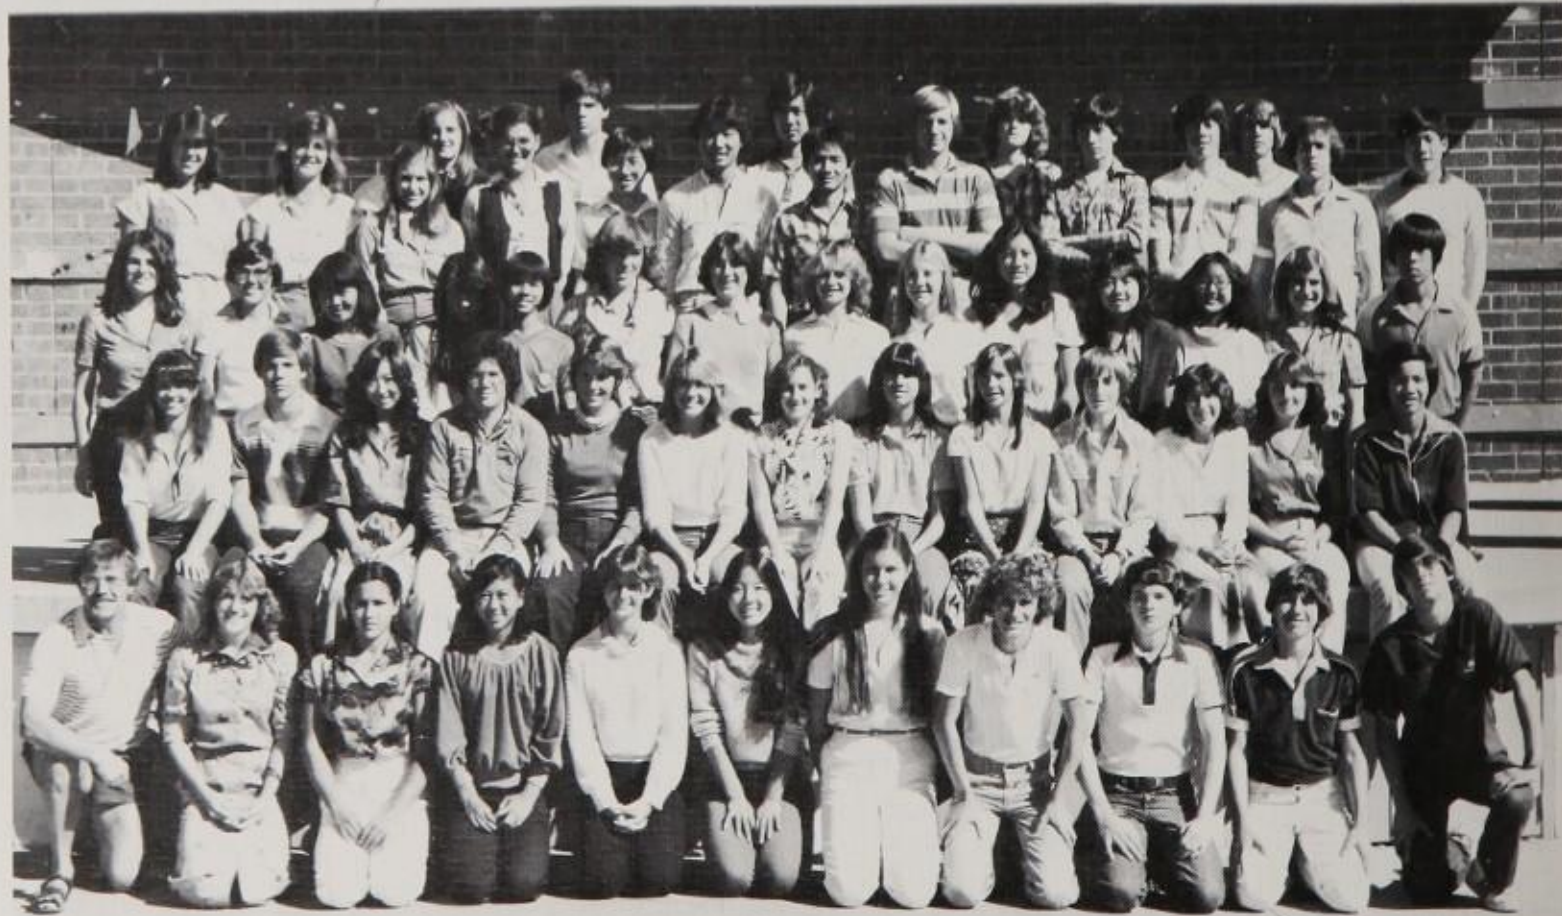

Club Council is an active group representing more than fifty clubs on campus. It plays a vital role in developing interesting, club-sponsored activities for students. It also helps to unify the different types of organizations and to coordinate publicity for their various events.

Many students are honored with membership into the California Scholastic Federation each year. Their entry is based on their grade point averages in certain academic courses. Each year, the Los Angeles Dodgers give away free tickets to this intellectual group of individuals.

Being an exchange student doesn't just involve meeting new friends and adjusting to a new school. The American Field Service provides a lifetime experience for a student to learn new cultural and ethnical ideas of a foreign country. Programs can either be for the summer or for a whole year in which the student attends school.

The Travel Club helps broaden the experiences of Special Education students on campus. Just as traveling the world broadens the cultural and intellectual aspects of the mind, the existence of The Travel Club at Rolling Hills helps students experience many diversities of lifestyles by visiting museums, libraries, and cultural exhibits.

Reading is not only fundamental, but with the help of the members of the Toots Club, it becomes an enjoyable learning experience for many Rolling Hills students. The helpful members of this tutoring organization are still continuing to make students become better readers.

The conservation and preservation of our national parks is the founding factor behind the Green Peace movement. The club section at Rolling Hills sponsors many fund-raisers to aid the cause of saving endangered species and protecting the rights of all animals.

The members of the Student Union try hard to curb the current wave of apathy and vandalism at our school. Painting room numbers and directional arrows to classrooms are a few of the many projects these students participate in throughout the year.

Sliding on two thin planks connected to your feet in often freezing conditions does not seem too much fun. Try telling the Ski Club that. Ranging in skill from wedgers to downhill racers, this group, through many well-planned outings, populates both local and distant ski resorts.

This group has attracted many devotees of the sport of Volleyball. Organizing many tournaments and even an intramural league, the club has done much to promote this enjoyable recreation.

Membership in the Lettermen's Club is no easy feat. All members must have excelled in at least one Varsity sport. Led by President Jon Reed, the club has provided entertainment and service to both school and community.

Similar to the Lettermen's Club, the Girls' Athletic League is made up of girls who have earned a Varsity letter in some major sport. They sponsor many campus and community activities, including Donkey Basketball.

Dedicated to the memory of the old English bard, the Shakespeare Society has continued its study and appreciation of Shakespeare's works. The society hopes to continue their high standards by duplicating their first place showing at last year's prestigious Shakespeare Festival.

Appreciation and study of our fine, feathered friends is the reason for the existence of the Audubon Society. By careful observation of birds, the group experiences much of the beauty and wonder of nature and this particular creation.

Arranging five stones in a row seems to be an easy enough task to win a game. Unfortunately, this popular Eastern game is easier said than done. The Go Club is dedicated to playing this game.

No color name can describe the madcap antics of the Green No-Name Club. Behind all these Rocky Horror excursions, bizarre outings, and rollicking activities is founder and President Adam Walsh.

GREEN NO-NAME CLUB

Due to the nature of the Green Non-Name Club, the members have wisely decided to remain anonymous.

FRONT ROW: M. Curie, A. Cella, M. Faraday, H. Yukawa; **Row 2** — N. Bohr, V. Valentekovich, P. Ohm, A. Yang, F. Tsai, A. Einstein (Sponsor); **Row 3** — P. Dirac.

To say that the Physics Club studies only complex formulas is quite incorrect. Though they are interested in the principles of Physics, they also plan trips to Magic Mountain and other fascinating places.

The increasing crime rate has brought about a great need for the use of guns. The members of the Rod and Gun Club do their best to promote gun safety and the proper use of firearms in America's wilderness areas.

The Math Club competes against other schools in computing difficult math problems. They are extremely successful in this enterprise, and they have numerous trophies to prove it.

To stimulate an active interest in world affairs through the study of the United Nations is what the Model U. N. Club is all about. The members achieve this goal by representing various countries at mock United Nation conferences here and ostensibly abroad.

The creativity of the students on SATORI has brought an overwhelming response of positive feelings to this magazine. The contents of the literary publication include poetry, some short stories, photographs, and some very beautiful artwork. SATORI is published annually, and it never fails to receive an eager reception from the student body.

Herding a group of thirty-five plus individuals and getting them to all pull together to come out with this yearbook is no small undertaking. You now hold in your hands the proof of the extraordinary effort and talent expended. David Kalemkiarian was this year's editor, and the advisor to Publications is Pat Shubert Robertson.

Every month from the depths of Room H-62, springs that award-winning publication, the TITAN. Editor-in-Chief Yvonne Cole and her talented entourage are responsible for the excellence of reporting and coverage of campus news. Recently, the TITAN, with a little help from their arch rival, the DELPHIAN, added yet another accolade to a long list of honors. They were named the top publication by the Southern California Journalism Education Association.

To those who excel in the field of journalism, Quill and Scroll is a nice reward. An honorary organization, its ranks consist of outstanding TITAN and DELPHIAN members.

Is there apathy at RH? Don't ask the Interact Club. This elite group of enthusiastic, optimistic students have done many service projects to benefit the school and the community. Currently, they are sponsoring a girl from India.

Providing service and attention to the affairs of the community and campus is what the Key Club does best. Perhaps the "key" to their successful activities is their spirit and dedication to whatever task is at hand.

One of the more involved clubs on campus is the Girls' Service Club. It supplies, of course, many services, as its name implies. Headed by President Lisa Moy, the membership performs many worthwhile and admirable activities for the community and the campus.

SIMULATION GAME CLUB

3

Playing that timeless, strategic battle of wits called chess has been the main function of the Chess Club. A very active group, it holds and competes in many tournaments local and state-wide.

Due to the popularity of computers today, a group of students have gotten together in order to better understand this expanding field. Not only do they program math formulas and problems, they also program computer games.

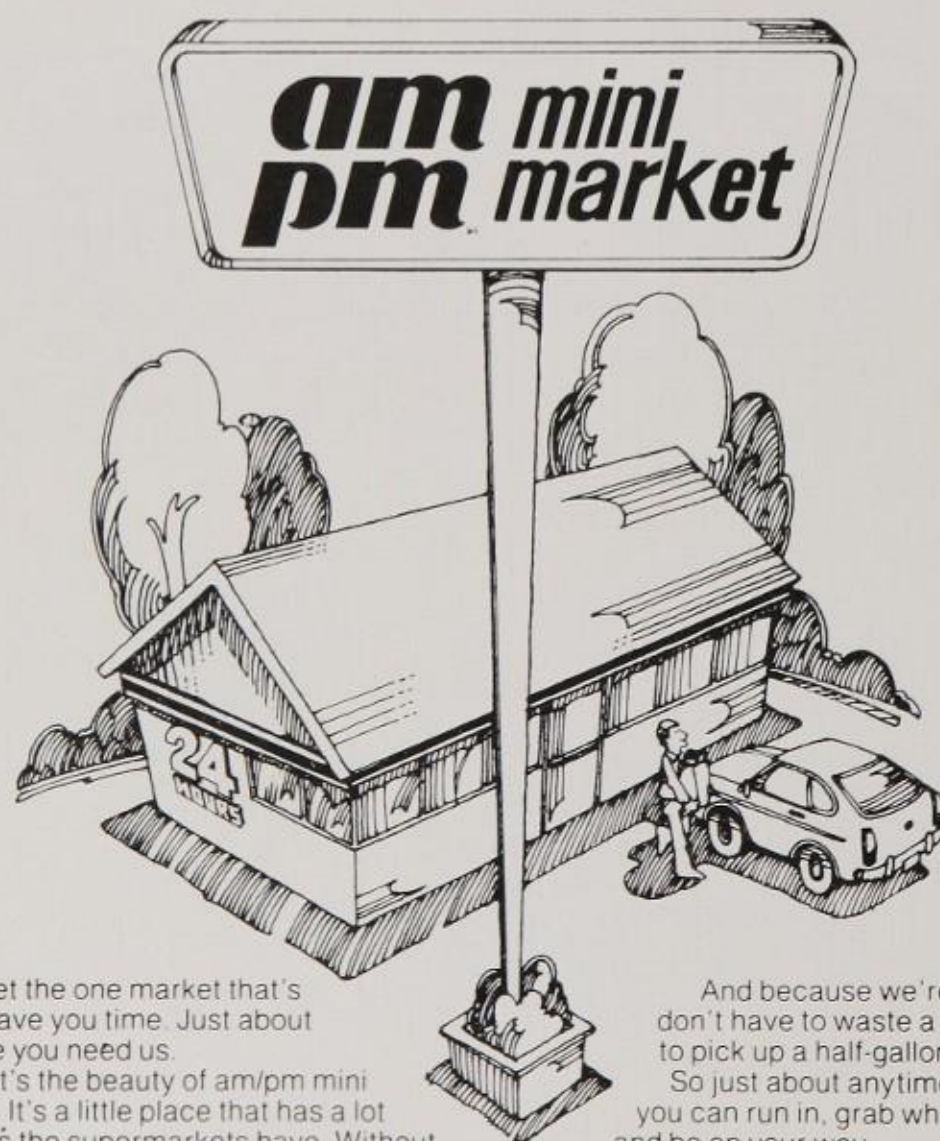

The Simulation Game Club members encourage the importance of good sportsmanship. Throughout the year, the group enters various tournaments which feature assorted simulation games for competition.

A Word From the Top:

The editor's cut is usually to thank, to tell what a year it was, and to describe how really great the book is. So, I better do it. Between missing deadlines, feuding, and encountering numerous problems, the 1981 DELPHIAN was finally finished.

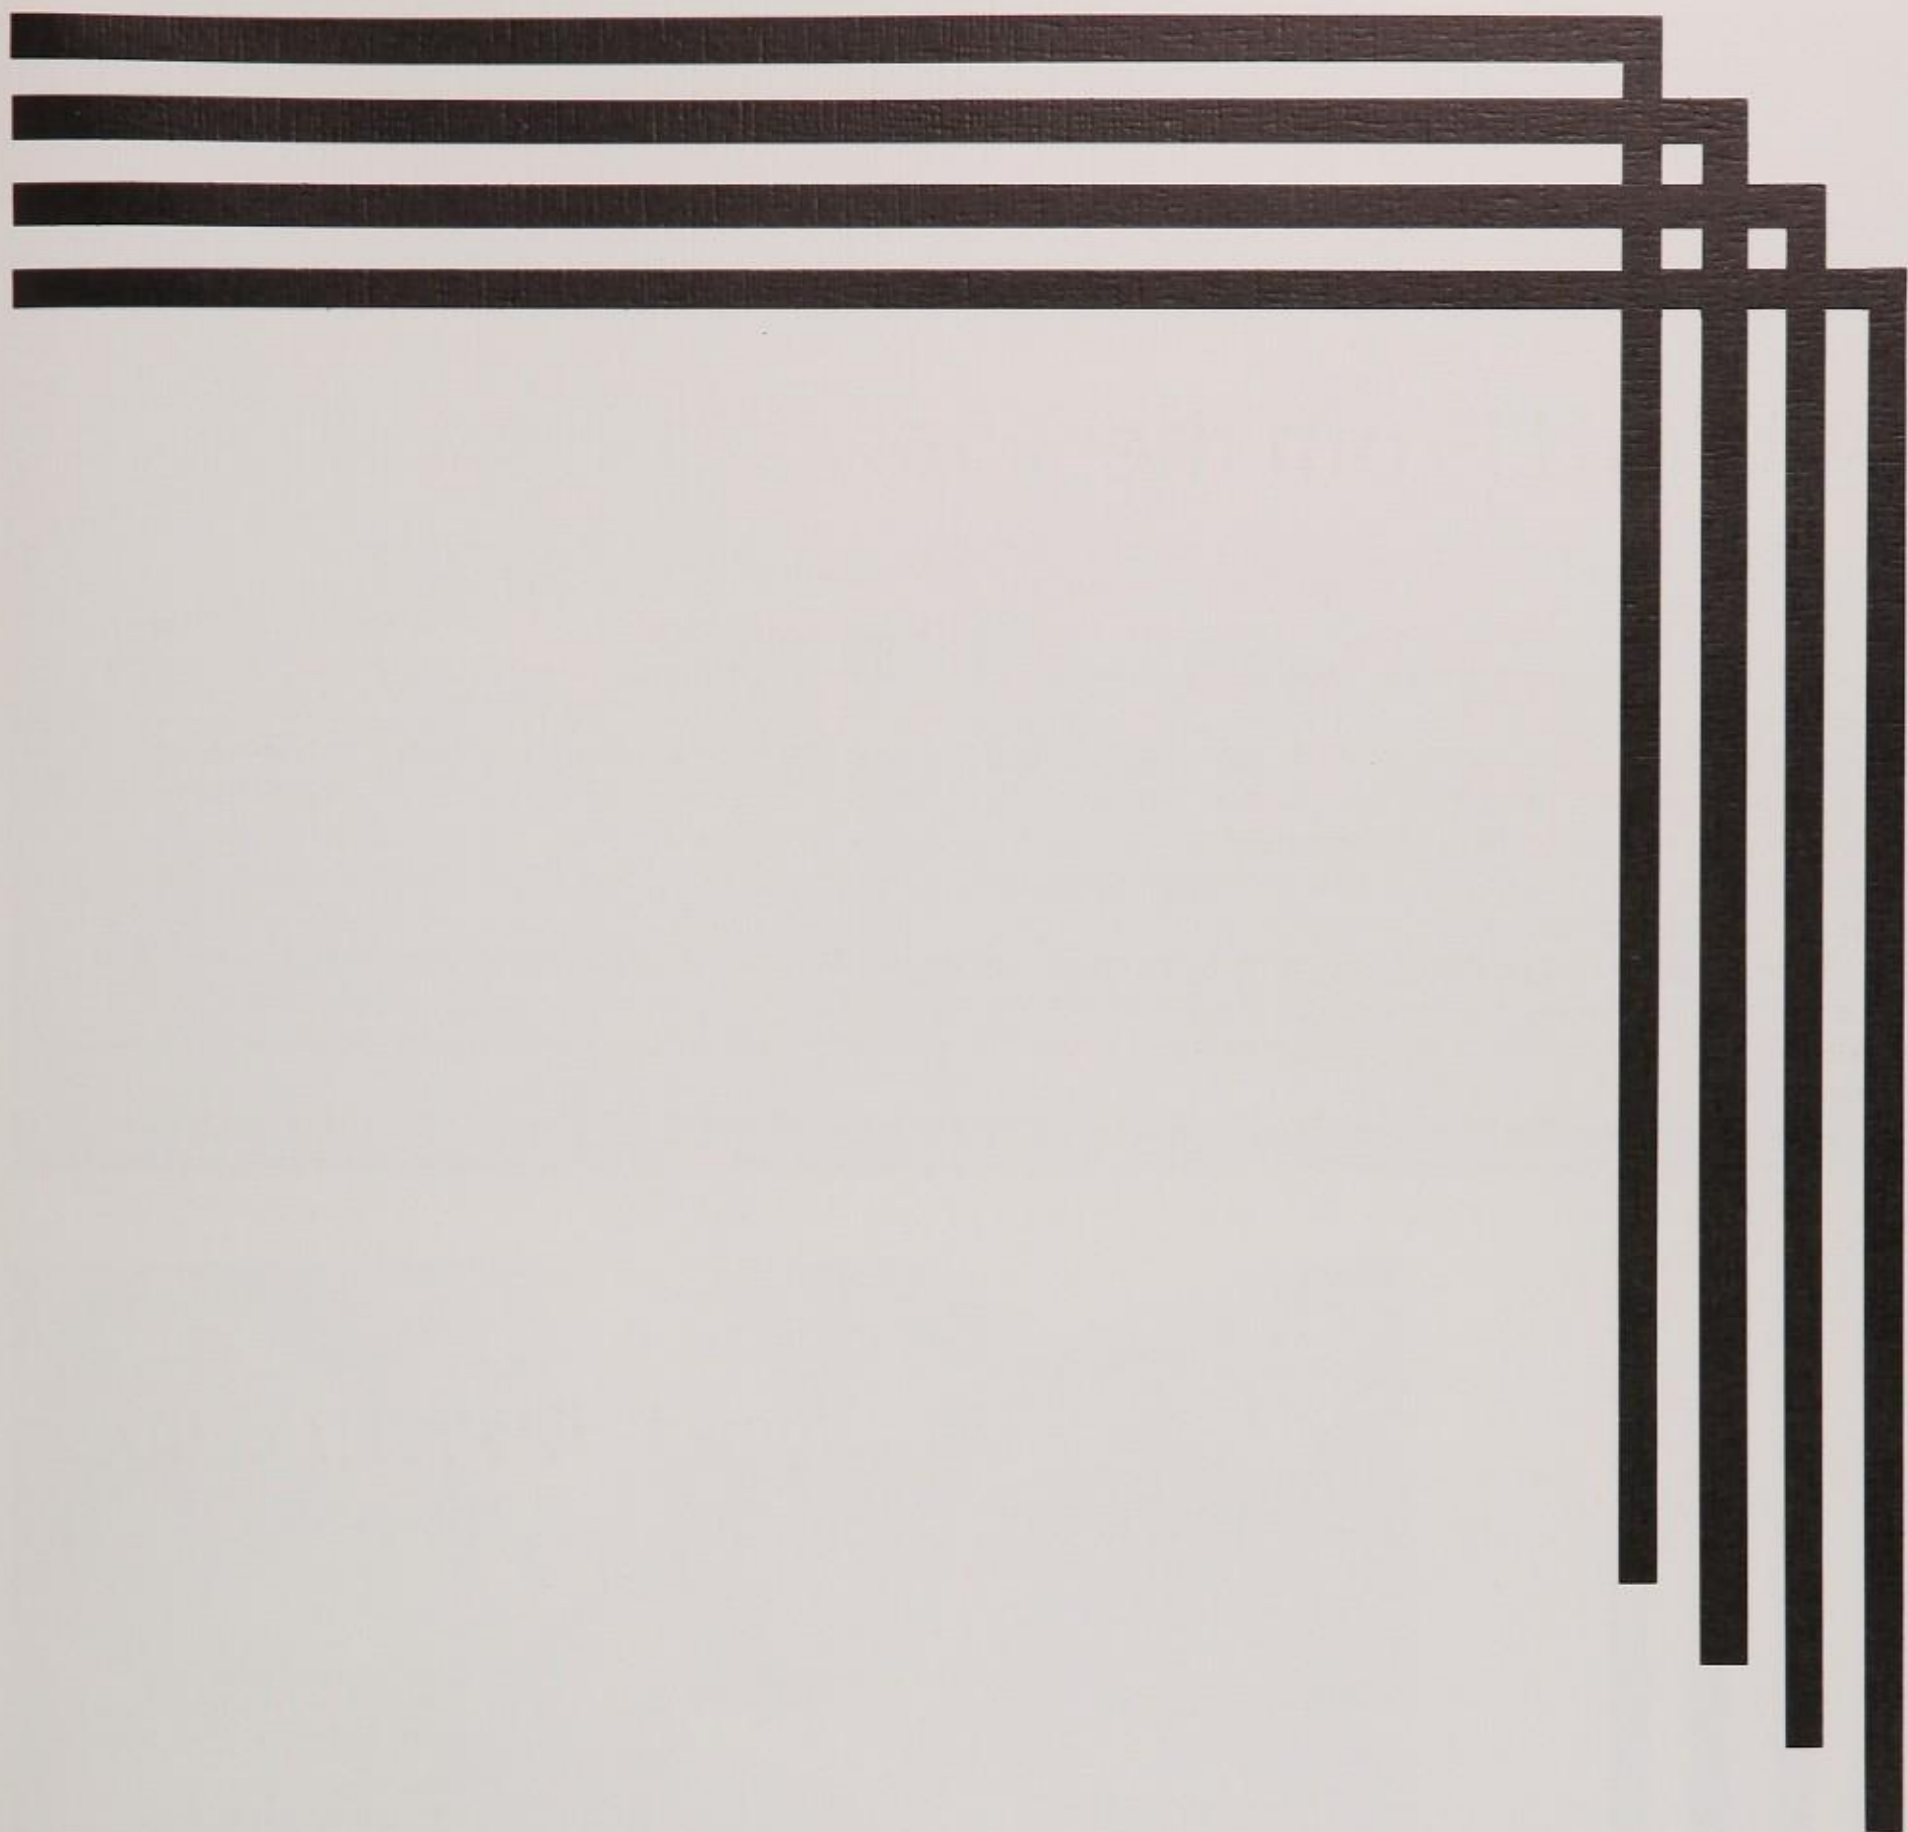

I should like to thank everyone of my staff members and photogs. This year will be unforgettable. To Steve Eddy of Taylor and to Steve Henderson and Spencer Pendergrass at Senior Portraits, I wish to express my appreciation for your help and patience. Mrs. Robertson (Mom), thanks for your time and for your caring so much about the book and the people who put it together. I should like to thank most of the faculty for their cooperation. We all did miss class or were tardy a few times.

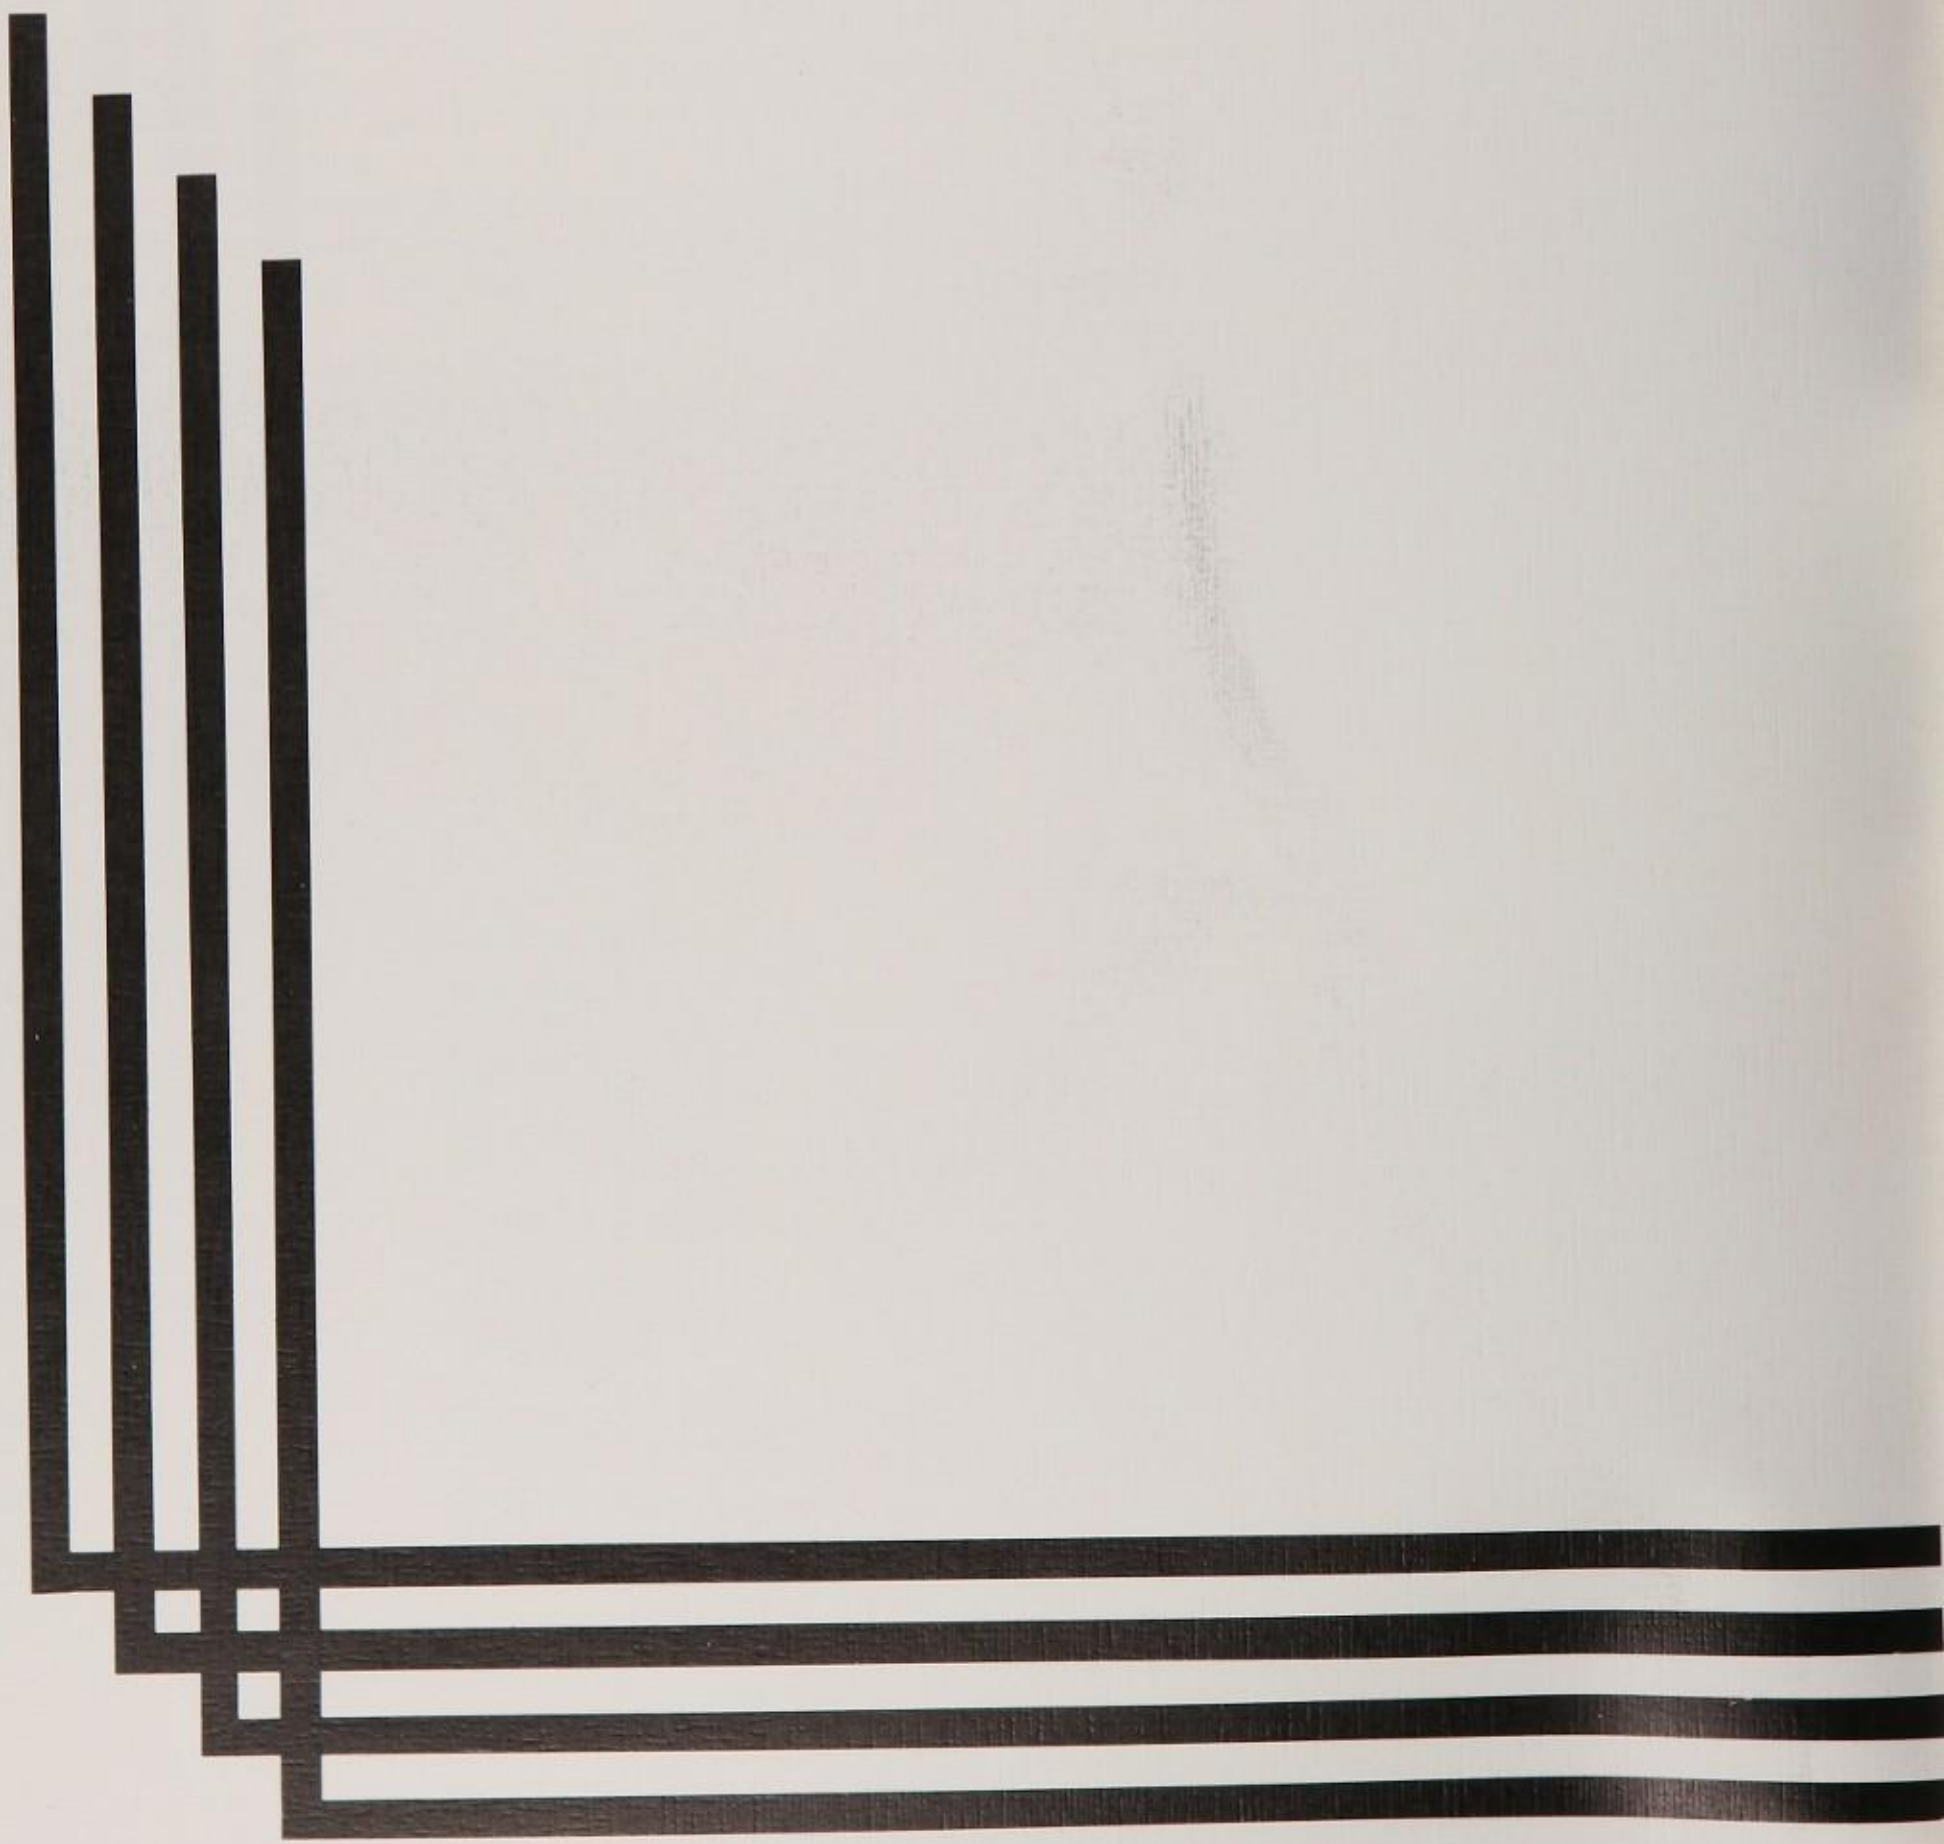

Between fights and deadlines, we, at last, got caught up around March 1. The last pages went in March 16. This year's staff was diverse and interesting, to say the least. We were self-centered, modest, perfect, and stubborn. That is why we were chosen. Some worked harder than others, but all made a contribution. It was a learning experience for each of us.

I want to acknowledge that Cindy Carlson came up with the idea for the theme, and Rob McFarlane generously gave of his time and talents in developing the graphics. To everyone involved, I think I can say without reservation that the end result was worth the trauma. The 1981 DELPHIAN is an important part of all of us and will continue to be long after we graduate.

Many emotions are evoked in the expressions and stances of My Generation.

In the background, the pulsating beat of the music and the hurrahs always resound, the throb of our song, our cheer, reflecting the tempo of the times.

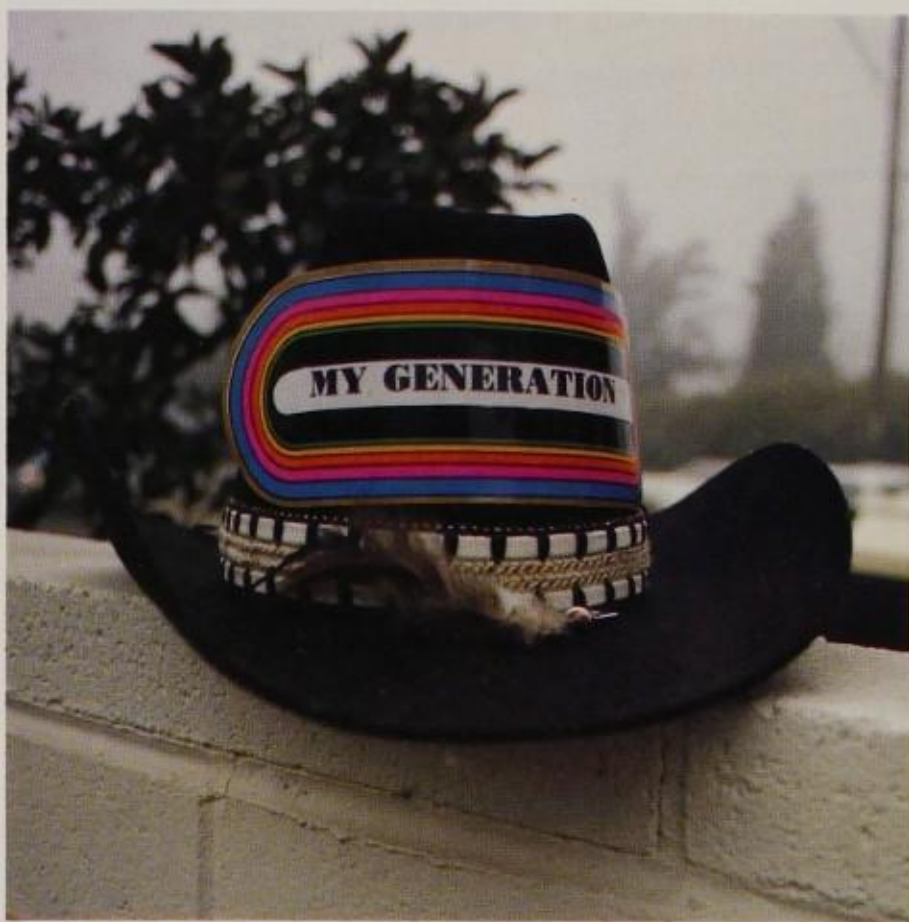

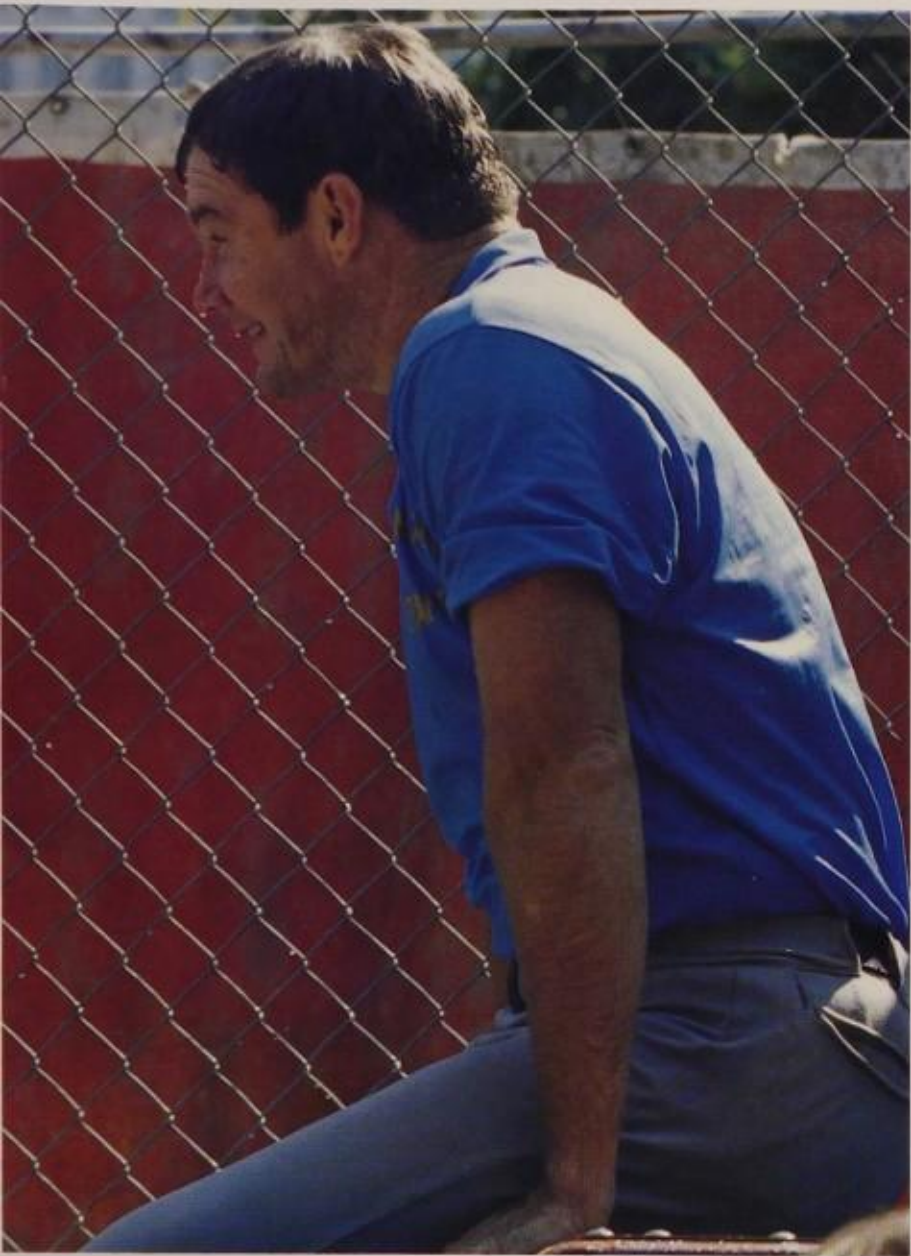

Our restless society demands involvement, responsibility, accomplishment — so much pressure, so many expectations.

*"Why don't you all fade away?
Don't try to dig what we all say."
The Who*

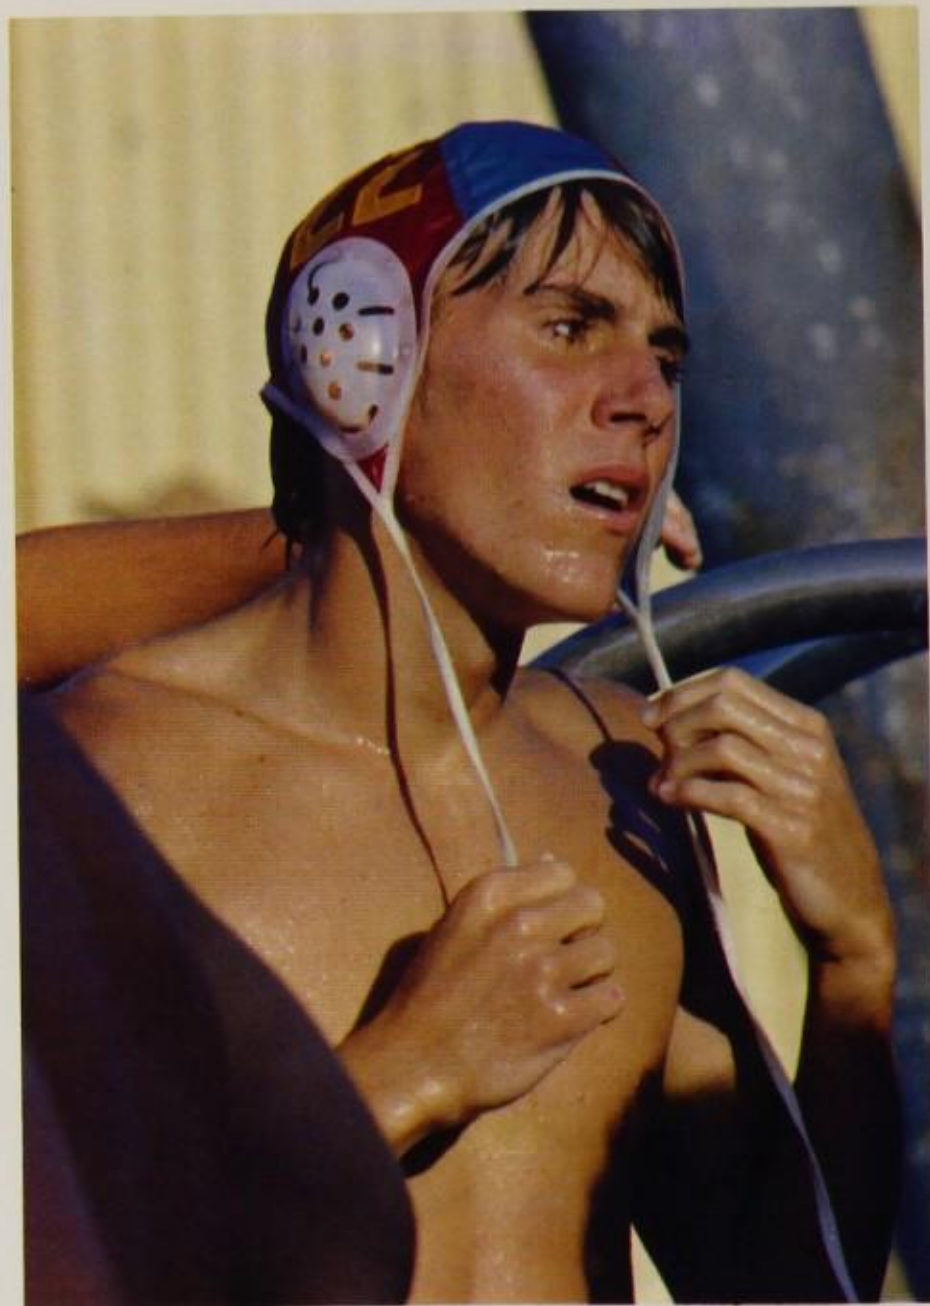

Some say our generation has no respect for tradition. Then why does Homecoming play such an important role in our school year?

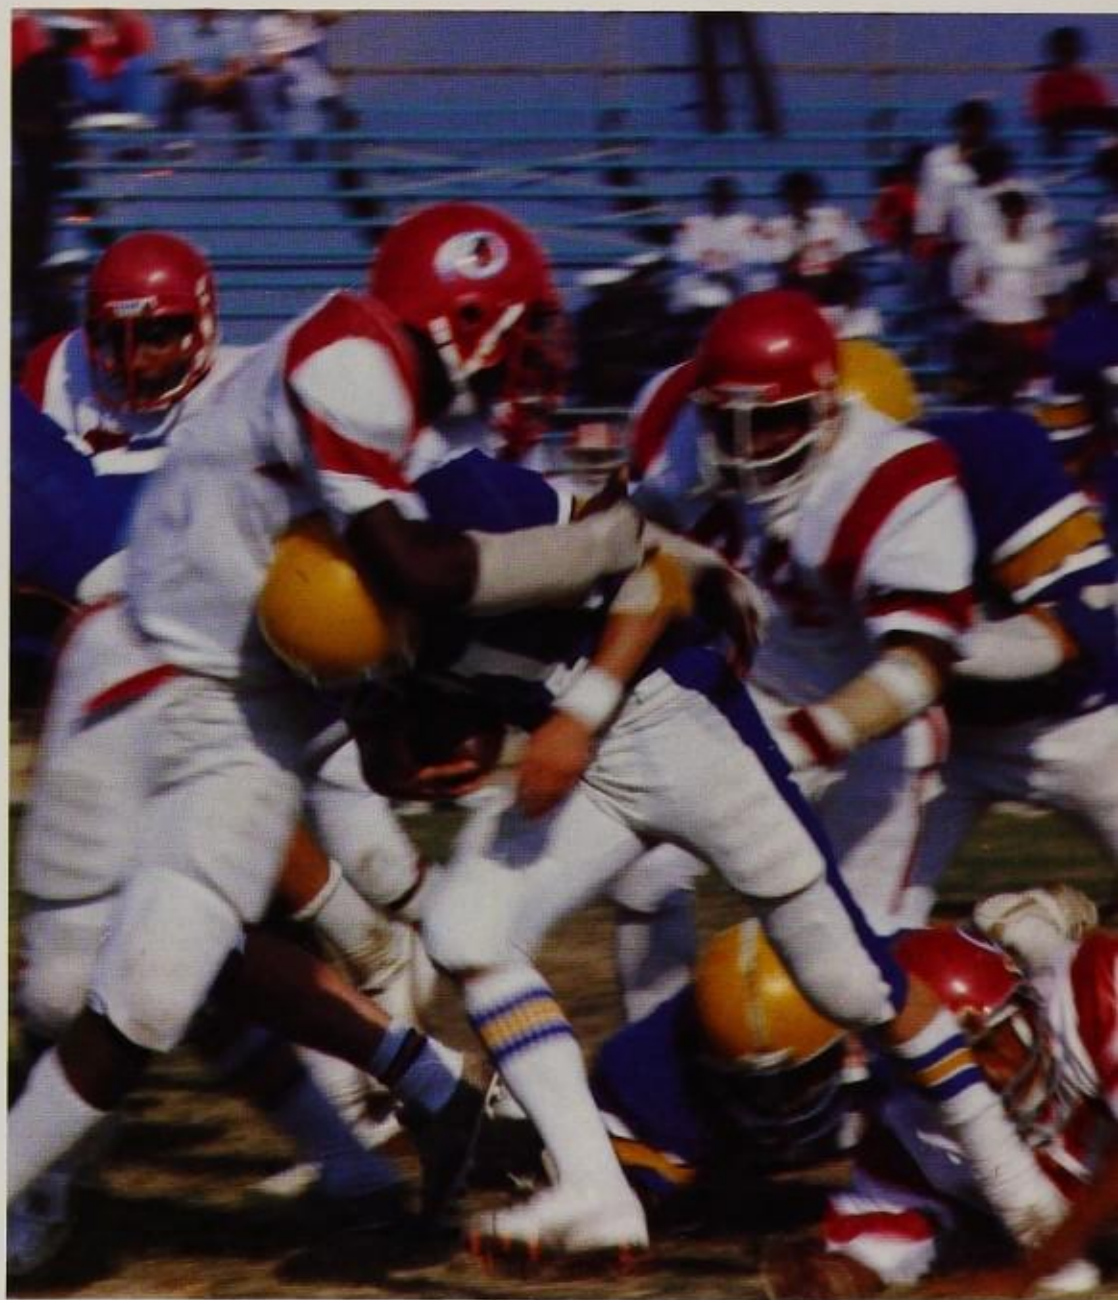

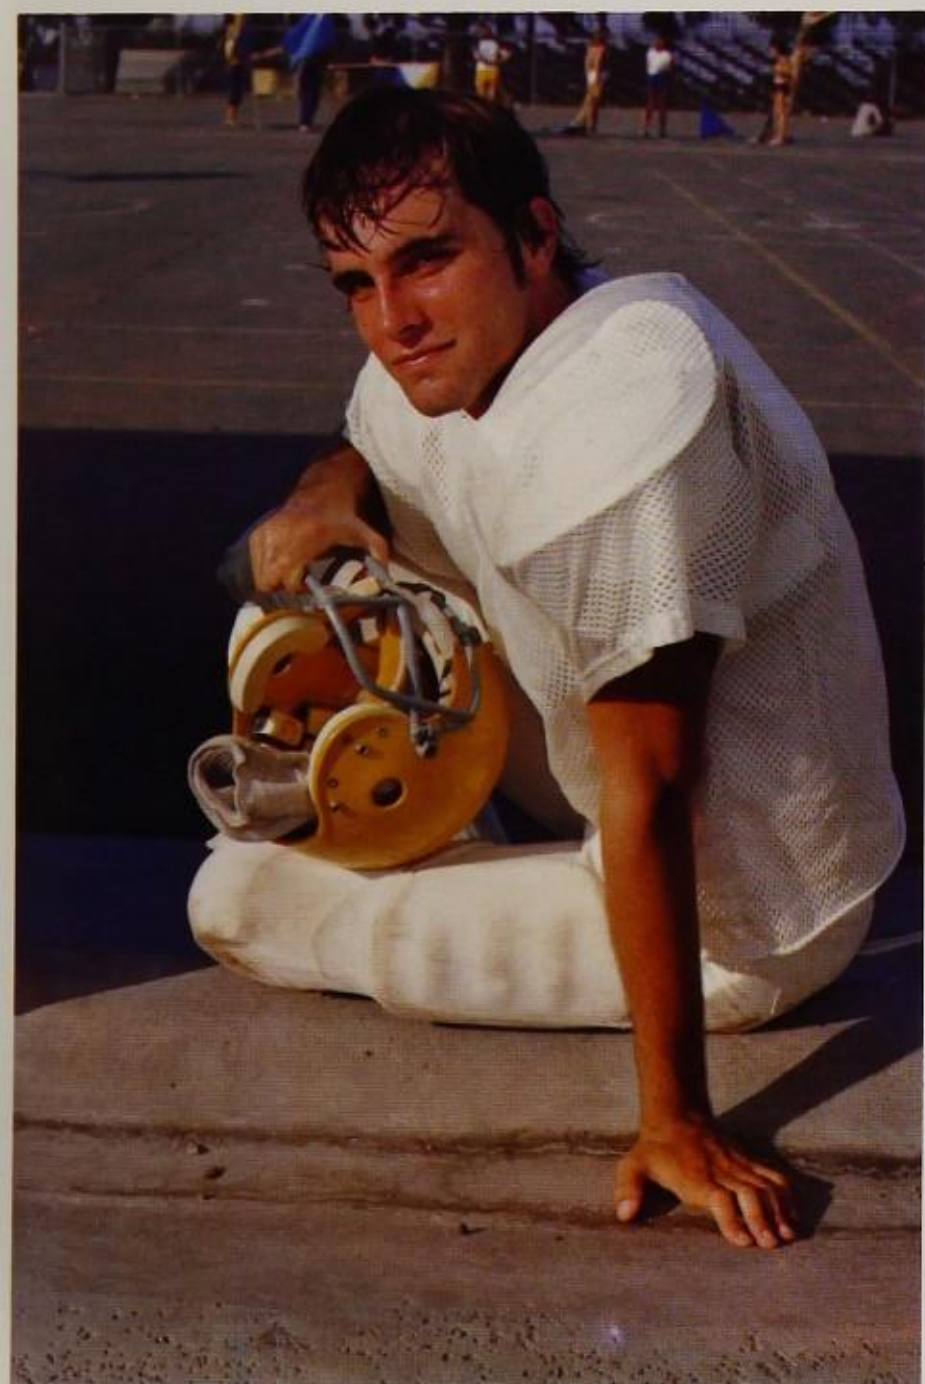

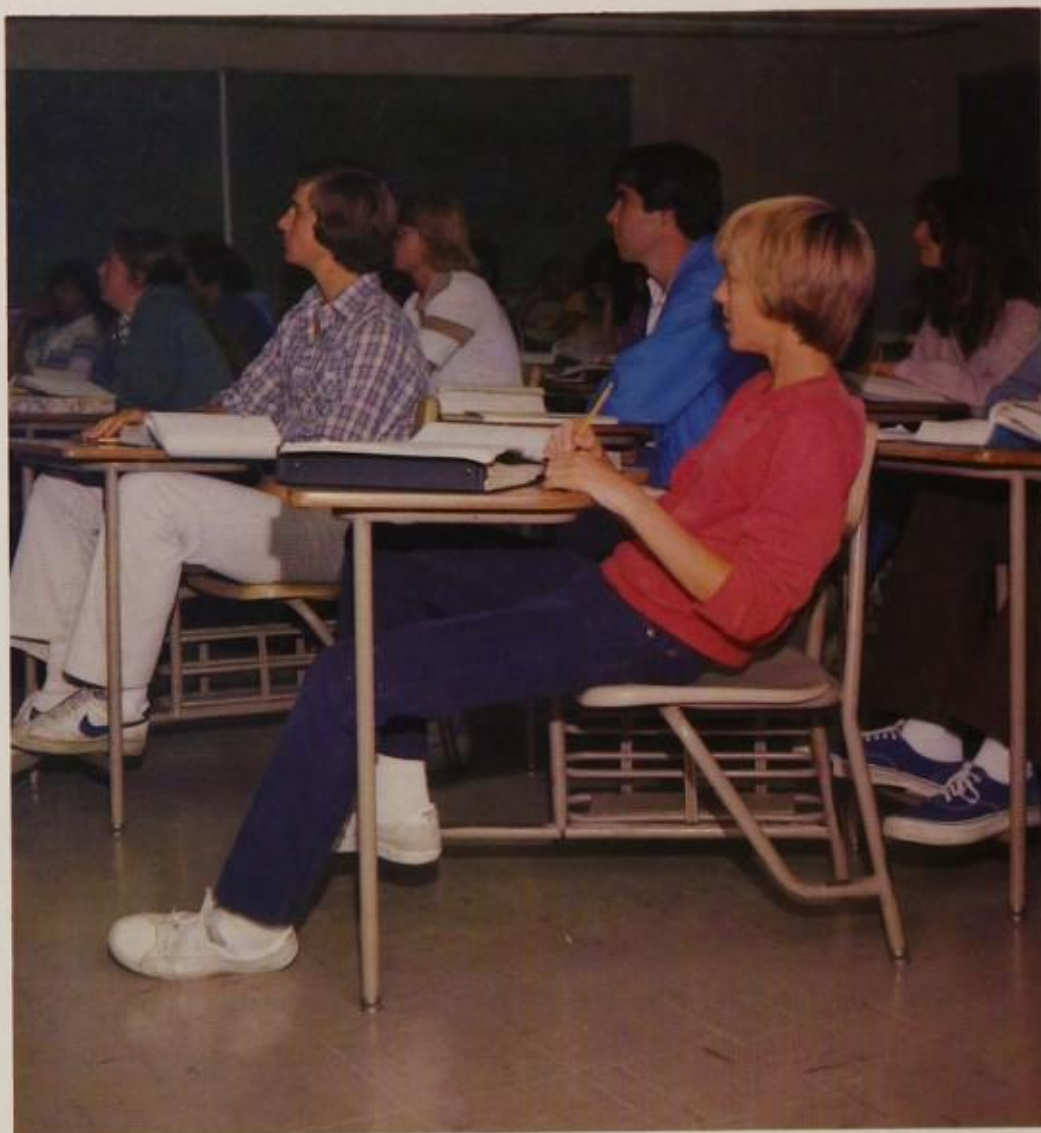

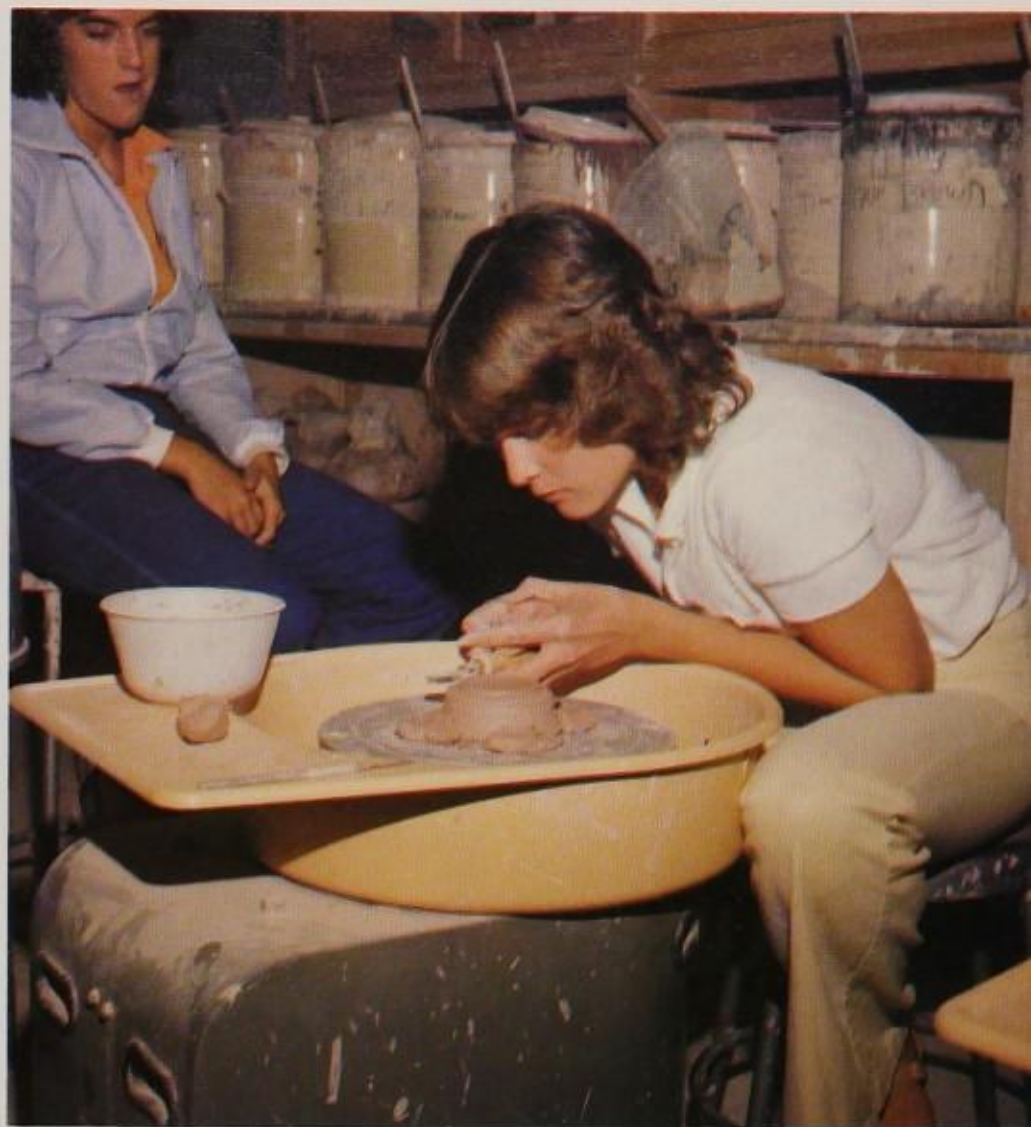

Competitiveness is inbred in My Generation. We strive to win in every arena.

Reacting and interacting are part of our game plan. We both initiate and emulate, setting trends and determining lifestyles.
